

VISION for SUCCESS

2023 Jump Start Summers

Jump Start Summers

The Jump Start Summers program will be available to launch summer training sessions for students to earn Carnegie credit aligned to [Fast Forward Pathways](#), [Jump Start 2.0 Coursework](#), [statewide basic or advanced credentials](#), participate in work-based learning, and earn a student stipend for participation.

The [application](#) to submit as a prospective or returning Jump Start Summers provider is now open.

The application will close on **March 13 at 5 p.m.** The encumbered Supplemental Course Allocation (SCA) dollars can be used for this opportunity.

Jump Start Summers

Jump Start Summers programs offer students the opportunity to:

1. earn academic Carnegie and/or dual enrollment credit during the summer aligned to [Jump Start](#) or [Fast Forward](#);
2. earn statewide industry-based credentials (IBCs) in Jump Start Pathways adopted by the local school system;
3. engage in work-based learning by job shadowing and/or internship experiences or pre-apprenticeships/apprenticeships with at least one committed industry partner;
4. receive stipends based on attendance, engagement and achievement.

Jump Start Summers

Students must receive a stipend, an academic Carnegie credit, job shadowing and/or internship activities, and the opportunity to test for a credential for the sessions they successfully complete.

All Carnegie unit courses must meet seat time requirements per Bulletin 741.

Funds may not be used to train instructors for the program.

Jump Start Summers Application

The [JSS application](#) is an electronic form and that is the only means of submitting your application.
