Please contact fastforward@la.gov .

Fast Forward Summers

- The Fast Forward Summers program will be available to launch summer training sessions for students to earn Carnegie credit aligned to [Fast Forward Pathways](#), [Jump Start 2.0 Coursework](#), [statewide bundles or advanced credentials](#), participate in [work-based learning](#), and earn a student stipend for participation.
- The application to submit as a prospective or returning Fast Forward Summers provider is open.
- The application will close on **March 21 at 11:59pm**. The encumbered Supplemental Course Allocation (SCA) dollars can be used for this opportunity.

Please contact fastforward@la.gov .

Fast Forward Summers

Fast Forward Summers programs offer students the opportunity to:

1. earn academic Carnegie and/or dual enrollment credit during the summer aligned to [Jump Start](#) or [Fast Forward](#);
2. earn statewide industry-based credentials (IBCs) in Jump Start Pathways adopted by the local school system;
3. engage in work-based learning by participating in internships or apprenticeships with at least one committed industry partner;
4. receive stipends based on attendance, engagement, achievement, and/or on-the-job training.

Please contact fastforward@la.gov.

Fast Forward Summers

Students must receive a stipend, an academic Carnegie credit, and the opportunity to test for a credential for the **non-WBL** sessions they successfully complete.

Programs focused on work-based learning must meet all of the [work-based learning requirements](#).

All Carnegie unit courses must meet seat time requirements per Bulletin 741.

Funds may not be used to train instructors for the program.

Please contact fastforward@la.gov .

Fast Forward Summers Application Access

The FFS Application can be found in EdLink. The district CTE supervisor with a MyLA account is the only person who will have access to the application.

If a MyLa has **not** been created, click [here](#) and register using your district email.

Please contact fastforward@la.gov .

Application Access

Once a staff ID is associated, follow the steps bellow:

Step 1: Go to link [Edlink Self Registration](#).

Step 2: Click Request Permission (left-hand column).

Step 3: Select Organization code K12P.

Step 4: For this application you will select Supplemental Course Allocation.

Step 5: For this application you will need to select the District Role.

Please contact fastforward@la.gov .

Application Access

Step 6: You will type in your School System name.

Step 7: Select the checkbox of the permission you want (as many as apply).

Step 8: Enter any justification as needed.

Step 9: Once the request is submitted you will need to wait until an Approving Director approves or rejects your request.

If you encounter issues once registered, close all browser pages and login again.

Please contact fastforward@la.gov.

Evaluation Process

Individual Program Evaluation

A system's Fast Forward Summers application will be evaluated on a program-by-program basis. Each program will then be awarded a score to better-prioritize available funding.

For example, if a system submits an application with 7 programs, 7 programs will receive individual scores. If another system submits an application with 2 programs, 2 programs will receive individual scores.

Individual programs will be scored based on Program Category and Program Details.

Please contact fastforward@la.gov.
