Stop and Jot!

Before we begin, jot down:

3 questions you have about the Pre-Educator Pathway.

2 things you know about the Pre-Educator Pathway.

1 goal you would like to set for this work in your system.

The image features a white speech bubble with a jagged, torn-paper edge, centered on a yellow background. Several blue lightning bolt shapes are scattered around the speech bubble, pointing towards it. The text inside the bubble is centered and reads:

Turn and Talk!

With a shoulder partner, share your ideas.

Do you all have the same questions?

Can you provide clarity on anything?

Provide feedback on the goals.

Louisiana's Six Critical Goals

- Students enter Kindergarten Ready
- Students will achieve Mastery on third grade assessments and enter fourth grade ready for grade-level content.
- Students will achieve Mastery on eighth grade assessments and enter ninth grade ready for grade-level content.
- Students will graduate on time.
- Students will graduate with a college and/or career credential.
- Students will graduate eligible for a TOPS award.

Louisiana's Priorities

- Ensure every student is on track to a professional career, college degree, or service.
- Remove barriers and create equitable, inclusive learning experiences for all children.
- Provide the highest quality teaching and learning environment.
- Develop and retain a diverse, highly effective educator workforce.
- Cultivate high-impact systems, structures, and partnerships.

Growing Our Next Generation of Teacher Leaders

Louisiana seeks to provide a clear pathway in every school district for people who want to serve their communities as highly skilled educators.

As we intentionally recruit and cultivate a diverse and learner ready pipeline of aspiring educators who are passionate about serving our communities through education, Louisiana seeks to ensure all students have access to a highly trained, highly skilled educator.

The Louisiana Pre-educator Pathway

A grow your own initiative grounded in the following beliefs and ideas:

- The next generation of Louisiana's **educational leaders** are **currently** sitting in the desks of our middle and high schools.
- The underrepresentation of **teachers of color** in the Louisiana education workforce can be addressed through high-quality, early career development.
- Strategically expanding access to the teaching profession will benefit **overall teacher retention and quality**.

Four Corners Activity

Choose a “corner” to discuss the following questions:

Corner 1: What experiences should students be completing alongside coursework?

Corner 2: What conversations should we be having with our school leaders and school counselors about school wide pathway benefits and enrollment?

Corner 3: What are some best practices in collaborating across stakeholders?

Corner 4: How can we best support Teacher Leaders and Pathway growth?

System Lead Professional Learning Community

Offered quarterly, the Pre-Educator Pathway System Lead Professional Learning Community are virtual opportunities for Pre-Educator Pathway/Grow Your Own System Leads to share best practices related to developing and expanding access to the Pre-Educator Pathway. All school systems are encouraged to attend regardless of current pathway status.

- Quarter 3: February 29, 2024 (breakout session at the Educators Rising state conference hosted at the University of Louisiana Monroe)
- Quarter 4: April 11, 2024 10:00 AM- 11:00 AM

Site Visits

System Leads, Teacher Leaders, and Postsecondary Teacher Preparation Partners are invited to attend a Learning Visit for a day of learning and community building. During Learning Visits, participants will have an opportunity to observe Grow Your Own work that is being done in another school system and strategize to improve Grow Your Own efforts in their system. Please use this [Registration Link](#) to sign up for a visit.

- St. Bernard/New Orleans- March 5, 2024

Curriculum Access

The Department has 70 Educator's Rising curriculum licenses to give away to support the growth of the program. If you are interested in receiving a one-year license at no cost, please complete this [brief survey](#). Priority will be given to those schools/school systems using the curriculum to start a brand new program or expand the program to a new site.

In addition, the Department has paid for 100 student registrations for the Educator's Rising National conference. These will be dispersed to state winners who are planning to attend the national conference, and then on a first-come first-serve basis. More details will be provided in coming months about the conference registration codes.

Aspiring Educators Summer Academy

The Louisiana Aspiring Educator Summer Academy is a one-of-a-kind, five-day, hybrid of a summer camp and a professional learning experience for high school students enrolled in the Louisiana Pre-Educator Pathway or any other coursework aimed at attracting and developing future Louisiana educators.

The tentative dates for the 2024 Academy are **July 8- 12**. Further details about the 2024 academy will be provided in upcoming calls.

If you have not already seen it, check out this [video](#) from last year's academy.

State Conference

Save the date! The Louisiana Educators Rising State Conference will be held on **February 29** at ULM. This year's state conference theme is "Discover Your Legacy". Registration is currently open for participants and exhibitors. The Deadline for attendee/exhibitor [registration](#) is **Thursday, February 1**.
