

Enclosed are the results of your EPA Section 608 Certification examination. A passing score of 70% or greater is required in each section. Additionally, you must pass the Core plus another section in order to be issued a certification. The scores of your exam are listed on the right and your certification card is attached.

Please visit our website at www.escogroup.org for additional training resources or contact us at 1-800-726-9696 with any questions!

As required by the EPA, all Section 608 certification holders are now included in a public online directory. This directory includes only your name and the certification you hold; no other personal/identifiable information is displayed.

If you would like to opt-out of being listed in the directory, you can login to your online account, <https://www.escoinst.com/Student/Login.aspx>; click on Student Information and change the Certs Public option to "No," or you can call us at 800-726-9696 to be removed from this list.
