2018-2019 Jump Start Survey

Context on the 2018-2019 Jump Start Survey

Context on the Jump Start Survey

- To inform the State’s vision for career education, LDOE launched a ‘Jump Start Survey’ in December 2018.
- The Survey was distributed through LDOE’s communication channels, including the Superintendent’s newsletter and the Counselor Connect newsletter. It was open until January 18, 2019.
- During that period, 637 Jump Start stakeholders shared their perspective on this important work. LDOE is truly grateful to these individuals for having taken the time to share their views.
- What follows are summaries and visual representations of the quantifiable responses received.
