LOCATION: Claiborne Building, Rm. G-161 in OGB Suite G-159

The onsite nurse is provided by Blue Cross and Blue Shield of Louisiana to Office of Group Benefits members domiciled in the Claiborne Building. In Health: Blue Health Services is offered at no out-of-pocket cost to eligible OGB members on a Blue Cross health insurance plan. The nurse cannot diagnose or treat illnesses or injuries, but serves in a support role to help you manage a condition that has already been diagnosed. You should continue to consult your physician for this and any other treatment.
