

Advanced Placement (AP[®]) courses offer students the opportunity to earn college credit by taking rigorous courses in high school. In order to support educators teaching AP[®] coursework this document provides a summary of professional development opportunities occurring during summer 2019.

Advanced Placement Summer Institute

University of Louisiana Lafayette

Lafayette, LA

July 15-18

The University and the Lafayette Parish School System will offer a series of workshops for AP[®] coordinators and teachers. The AP[®] Coordinator workshop will help new and experienced AP[®] coordinators learn how to efficiently and successfully manage their schools' AP[®] program with an emphasis on new program changes for 2019-2020.

Workshops will also be offered for teachers of the following courses:

AP[®] Human Geography

AP[®] English Language and Composition

AP[®] Spanish Language and Culture

AP[®] US History

AP[®] World History

[Registration information](#) is open. For questions about the event at UL-Lafayette please contact Randy Bernard at rcbernard@lpssonline.com or Amy Moton at abmouton@lpssonline.com.

AP[®] Coordinator Workshop Part 1

Captain Shreve High School

Shreveport, LA

August 5

This is a half-day workshop designed to help new and experienced AP[®] coordinators learn how to efficiently and successfully manage their schools AP[®] program. You will have the opportunity to exchange best practices and learn new ways to handle the responsibility of coordinating an AP[®] program.

2019 Teacher Leader Summit

Ernest N. Morial Convention Center

June 26-28

New Orleans, LA

The 2019 Teacher Leader Summit will include a robust offering of Advanced Placement sessions. The sessions will cover a variety of topics including overall AP[®] updates and successful program implementation techniques. Please download the Teacher Leader Summit app from the Apple App Store or Google Play Store to search for all of the sessions.

AP® Success Stories

Jemi L Carlone, Principal Belle Chasse High School

Audience: 9-12 teachers, administrators, and leaders

Administrators from Belle Chasse High School, a traditional 9-12 open enrollment high school, will talk about their AP® success that has grown to a 62% passing rate in 2018 with 9 different AP® courses offered in all 4 grade levels. AP® educators from the school will hold small breakout session during the second half of the session sharing their secrets to success. Educators from the following course titles will be present: AP® Human Geography (9th), AP® World History (10th), AP® Chemistry (11th), AP® English Language and Composition (11th), AP® Biology (12th), AP® Calculus (12th), AP® English Literature and Composition (12th), and AP® 2-D Design and Drawing portfolios.

AP® is Changing in 2019-2020

Jim Morris, Sr. Director College Board

Audience: AP® Teachers, AP® Coordinators and Administrators

The College Board is introducing a new suite of AP® resources, including an online question bank, unit guides, personal progress checks and performance dashboards. These tools were designed and tested a year in advance with the help of practicing AP® teachers and coordinators. Schools will be able to use these tools throughout the academic year to set learning targets and inform instruction. In this session participants will learn about the new online registration system...

Striving for AP® Success with Mock Exams

Alicia Jones, Teacher A.M. Barbe High School

Audience: AP® Teachers, AP® Coordinators and Administrators

The session will provide information about administering District-Wide Mock AP® Exams, Scoring and Feedback/Test Prep Sessions that provide meaningful experiences for the students, quality professional development for teachers and improve AP® scores. Participants will walk away with Mock Exam Administrator Tools, Templates and Guidelines...

Concept Reinforcement in AP® Calculus with Student Engagement

Tim Ryan, UWorld

Audience: AP Calculus Teachers

This session is for AP® Calculus (AB and BC) teachers. It will provide multiple activities, lessons, and strategies that can have an immediate impact on student achievement and success on the AP® Calculus exam. The content provided includes specific activities as well as general reviewing techniques that can be customized to meet the needs of individual students.

Giant Leaps to a 5: Preparing for the AP® US History Exam

Geoff Smith, UWorld

Audience: AP® US History Teachers

AP® US History teachers will be introduced to various strategies for preparing their students for the AP® exam, mastering stimulus-based multiple choice, and free response questions. Hear best practices for year-long preparation and everyday practice and develop skills that turn each class period into a pathway for student success on the exam.
