Foundational Charter Workshop

The Office of School Choice would like to invite you to our Foundational Charter Workshop on July 14, 2022 from 9:00am to 3:00pm at the Claiborne Building in Baton Rouge. There will be sessions on all aspects of the foundation of what it means to be a charter school in Louisiana. We encourage members of your school and/or charter management organization to attend who are new to their roles, want to refresh their knowledge base, or to provide an opportunity for cross-training. More details on session timing will follow in June.

To register, please [complete this form](#). Registrants can select the sessions applicable to their role, and multiple members of your school's leadership team are welcome to attend.

Tentative topics to be covered that day are:

- School Year Data Reporting
- Pupil Progression Plans and Course Progression
- Teacher Reporting and Educator Development
- Measuring Student Success/ Testing
- Statewide Consolidated Monitoring
- Charter Finances
- Charter Accountability
- Student Well-Being

Please contact christina.woods@la.gov with questions.
