Webinar Wednesdays

The Louisiana State Personnel Development Grant (LaSPDG) is hosting a series of webinars in February/March 2015. All webinars will begin at 10:00 am. The topics include:

*February 4 - Data Based Decision Making / *Triangulating of Data to Measure Implementation of SPDG Focus Areas*

*February 11 - Culturally Responsive Practices | *Addressing Discipline: Data, Polices & Practices*

*February 25 - Inclusive Practices- | *Keeping it all Together: The Importance of Using Student Data Binders for Students with Disabilities*

*March 4 – Family Engagement / *Connecting the Dots: Linking Family Engagement to Student Learning*

For more information on a particular webinar in this series, please see the additional flyers for each event.

Culturally Responsive Practices:
Addressing Discipline: Data, Polices & Practices
Presented by Summer Whitmore

Goal: To assist districts in using a resource guidebook in determining the root causes of referrals, suspensions and/or expulsions through the evaluation of data, policies and practices

February
11

Objectives:
To gain knowledge in interpreting and analyzing behavior data, policies and practices

Target Audience: District level staff, pupil appraisal, school level staff and educators, and family facilitators

Expectation: After attending professional development training, the participants will redeliver and share information with district and school staff.

How to access the webinar: **http://connect.lsu.edu/crpfeb2015/**
When prompted on the Adobe Connect screen, select to "Enter as a Guest" and enter your first and last name along with the name of your district/LEA. Then select "Enter Room". You will then be connected to the webinar.

NOTE: You will need to test your computer compatibility with the Adobe Connect Software PRIOR to logging into the webinar. Depending on your computer capabilities, you may be prompted to install additional add-ins so that you can participate in the webinar. Please allow yourself additional time to complete this crucial step in the webinar process. Use the link below to test your computer:
