- You will not be added to the course until payment has been received. Once the payment has been received, I will send you a receipt to turn into your supervisor.
- A few days before the class starts, and I have received your payment. I will send you an email with the information/invite needed for the 1st meeting that we will have. I know that some of you will be further away than others, so this 1st meeting will take place in Google Meet or Zoom.
