

Below you will find the 4th Quarter Safety Topics and a review of all topics for the 2015-2016 Fiscal Year. Please read and click the links to stay in compliance with the Department of Education Safety Requirements.

Summer Safety Tips

Beat the Heat

Whether you're working or playing outside in the summer, anybody not accustomed to the heat is at risk for a heat-related illness. Take steps to protect yourself:

- ✓ Wear appropriate clothing, including a wide-brimmed hat
- ✓ Take frequent water breaks
- ✓ Apply sunscreen with an SPF of at least 15
- ✓ Never leave kids or pets unattended in a vehicle

Water Safety

More than one in five drowning victims are children 14-years-old and younger, and most incidents happen when a child falls into a pool or is left alone in the bathtub. Keep your kids safe in the water:

- ✓ Find age-appropriate swim lessons for your child, but keep in mind that lessons do not make your child "drown-proof"
- ✓ Don't rely on lifeguards to watch over your children
- ✓ Never leave your child unattended

Practice Firework Safety

Fourth of July is one of the biggest events of the summer—but it can bring an increase in injuries. In 2010, fireworks caused an estimated 15,500 reported fires, including 1,100 structure fires.

Are You Ready for Hurricane Season? (4th Quarter Safety Topic)

Today is the official start of the 2016 hurricane season. Now is the time to make sure you and your family are prepared in case a storm impacts Louisiana. Don't wait until a storm is bearing down on the Louisiana coast. It's too late then. You can get valuable information, be prepared, and get a game plan by visiting getagameplan.org. The Governor's Office of Homeland Security and Emergency Preparedness website provides tips and guidance on how to prepare for emergencies, including hurricanes
