

Crescent City Chapter
The Links, Incorporated
Invites
New Orleans school students to experience an
International Cultural
Awareness Program

**“S.T.E.M. - ULATING LEFT BRAIN & RIGHT BRAIN”:
Through International and Intergalactic Awareness Experience**

When: Tuesday, April 15, 2014

9:00am – 2:00pm

Where: Lake Area New Tech Early College High School

6026 Paris Avenue

As a result of this experience students will:

- Engage in learning about other countries’ cultures, customs, food, music, languages and politics;
- Broaden their exposure to world geography;
- Develop an appreciation for diverse cultures;
- Increase their awareness of careers in science, technology, engineering and math; and
- Increase their awareness of 10 countries’ music, food, cultures and their scientific and technological innovations.
