

## Training Event

The Louisiana State Personnel Development Grant (LaSPDG) is hosting a professional development event on June 27, 2014 in Baton Rouge. The details of the event are listed below:

### **Family Engagement: From Expected to Effective** **Presented by Anne Henderson**

Goal: to analyze your current family engagement initiatives and integrate high impact strategies

Objectives:

- (1) Participants will gain knowledge of current family engagement research, strategies and practices that have the greatest impact on student achievement
- (2) Participants will gain skills to assess their current family engagement plan to adjust as needed

Target Audience: A school/district team of 3-5 participants (including an administrator)

Expectation: After attending professional development training, the participants will redeliver and share information with district and school staff

What to Bring: Teams should bring their current school improvement plan, school-parent compact (if they are a Title I school), a school newsletter (if available), and the current year's academic data. If you have an example of a product or event for families that you are proud of, you should bring materials that describe or show it.
