

2016 LCAAM Event Registration Form

Register Your Louisiana College Application & Access Month Event!

The Louisiana Office of Student Financial Assistance (LOSFA) along with key education stakeholders in the State of Louisiana has collaborated to develop and implement Louisiana College Application and Access Month.

Please identify which day, starting on October 1, you are planning to invite admissions professionals to your high school campus to assist students and parents with college applications. This information will be shared with LCAAM partners including admissions offices to facilitate coverage of the events. If, due to large student populations, you are planning more than one day on which students will be able to complete applications, please identify each day below. Complete this form and submit it to Brandi Morrison at brandi.morrison@la.gov by September 15, 2016.
