This document provides information on the calculation (attached) and reporting guidance necessary to comply with the MFP Weighted Funding reporting requirement for **FY2026-27**.

For further information on the allocation, send inquiries to LDOEMFPHelpdesk@la.gov or call the Office of School System Financial Services at 225.342.3617.

Requirement

Accountability for MFP Weighted Funds is required by R.S. 17:7(2)(f)(i). Funds generated in the MFP formula by applying the weights are required to be expended on the personnel, professional services, instructional materials, equipment, and supplies that serve the unique needs of students who generate such funds.

These weighted funds are those generated in the MFP formula by applying the weighted factors. These weighted funds include Career and Technical Education course units, Special Education students, Gifted and Talented students, and Economically Disadvantaged (also known as Low Income and English Language Learner) students.

In order to measure compliance, expenditures of these weighted funds must be reported in the Annual Financial Report (AFR).

The following is a list of expenditures and the location in the AFR utilized in the measurement for compliance:
