TEACHER AND LEADER PIPELINE

MENTOR TEACHER AND UNDERGRADUATE RESIDENT FUNDING

Annually, the Department allocates \$1,000 to every mentor teacher who support a year-long undergraduate resident. The Department is currently conducting a data collection process to determine allocations for these stipends for 2019-2020 school year. Mentor and resident data was due from preparation providers to the Department on **August 30** and school systems must submit their data by **September 13 via the FTP**.

Additionally, the teacher pay increase approved by the Legislature this spring allows the Department to allocate funds to school systems to provide **yearlong undergraduate residents with \$1,000**. In order to receive the funding:

- residents must hold a resident certificate, and
- the residency must be completed in a public school.

Funding for the undergraduate residents will be provided to school systems through the Minimum Foundation Program (MFP) via the certificated pay raise calculation.

Please contact believeandprepare@la.gov with any questions regarding Believe and Prepare funding.

- Scores achieved up to 12 months prior to the effective date adopted by the BESE to be accepted if the passing score decreases

The passing score of 153 for the Social Studies Praxis exam will be accepted for exams taken beginning January 1, 2019.

GPA UPDATE

As a result of 2019 legislation, R.S. 17:7.1A.3 stipulates that:

- Post-baccalaureate teacher preparation programs may conditionally admit candidates with a GPA of less than 2.50
- Candidates may be recommended for initial certification so long as they meet the requirements as outlined in the below guidance document.

At their August meeting, BESE approved updates to bring policy into alignment with this new law.

The Department is asking providers who wish to admit candidates with a GPA of less than 2.50 to submit their interview protocols by October 18. The Department will then create and share a repository of interview protocols. Please see the [linked guidance document](#) for:

- More detailed information relative to this flexibility
- A sample interview protocol
