### Message from the Superintendent

Dear Colleagues,

Happy New Year! I hope you were able to spend meaningful time with loved ones and returned from the holiday season rested and recharged.

The start of a new calendar year often brings reflection and resolutions. It's a fresh opportunity to reset, rebuild, and look ahead. In Louisiana education, we don't need a new direction. We need to double down on what is working.

The past year was one of historic academic progress for our state. The Nation's Report Card and the Education Recovery Scorecard affirmed what we already knew: Louisiana's back-to-basics approach is driving real results for students.

As we begin 2026, don't be distracted by shiny new things. Let's refine our focus on foundational academics and help every student graduate prepared for a career, college, or service. If you are just getting started, now is the time to build a strong foundation. If you have laid that foundation, shift your focus to doing the work even better — for the teachers you support and the students you serve.

I'm excited to move forward with you in 2026.

Dr. Cade Brumley  
State Superintendent of Education

## School System Relations

#### **The LDOE Announces the 2026 Students of the Year Regional Honorees**

**Please share with school and school system leaders.**

The LDOE recognizes that many outstanding students are enrolled in public, nonpublic and charter schools throughout the state of Louisiana. To acknowledge these accomplishments, the LDOE, in conjunction with the Louisiana Board of Elementary and Secondary Education (BESE), annually honors one incredible fifth, eighth, and twelfth-grade student based on their leadership, academic performance, achievements, citizenship and service to the school and community.

This year, school systems across the state submitted Students of the Year candidates for the zone-level process. Regional honorees were selected through public, charter, and nonpublic zone reviews per each BESE region. From this impressive group, the LDOE is proud to announce the [2026 Students of the Year Regional Honorees](#).

From this outstanding group of students, one honoree per BESE region will be named a finalist. Finalists will be announced later in the school year and celebrated at an awards ceremony where the overall honorees, one per grade level, will be named.

For questions about the Students of the Year program, email [exemplaryeducator@la.gov](mailto:exemplaryeducator@la.gov).
