Three-Tiered Attendance Strategy

- **Intensive**-level support systems were notified in April regarding support opportunities and expectations.
- Communications to **intermediate**-level support systems are being sent next week via email from the attendance team.
- Systems that do not receive direct communication regarding comprehensive or intermediate support are encouraged to engage in the **universal**-level support elements.

System Attendance Team Summer Action Steps

- Analyze 2024-2025 data to identify trends, priority schools, and students with an attendance history that indicates a potential need for early attendance supports/interventions.
- Explore information and resources on the [Power of Presence Landing Page](#).
- Develop attendance expectations, strategy elements, and a plan for communicating them to your schools and community.
- Support schools in building site-level attendance teams and engaging in a [needs assessment](#).
