2024-2025 Mentor Credential Waiver

August 26, 2024

Mentor Teacher Credential 2024-2025

Beginning in September 2020, every teacher who serves as the Mentor of an undergraduate or post-baccalaureate candidate must hold the Mentor Ancillary Certificate or the Provisional Mentor Ancillary Certificate.

BESE has allowed a waiver of the Mentor credential for the 2020-2021, 2021-2022, 2022-2023, and 2023-2024 school years.

In April 2024 BESE approved policy to allow for Mentor waiver approval on a case by case basis.

Mentor Waiver

Mentor teacher waivers will be granted on a **case-by-case basis** through the application process established by the LDE and at no fee to the applicant, school system, or teacher preparation provider. The waiver will be issued by the LDE for educators highly recommended by the mentor's principal and who possess **one or more** of the following qualifications:

- Two years of Highly Effective Compass ratings;
- National Board Certification;
- Statewide or national distinction for excellence in teaching;
- Experience as a TAP mentor, master teacher, executive master teacher, or certified TAP evaluator;
- Content leader experience, as evidenced by participation in Content Leader training or redelivery of professional development; or
- Master's or doctorate in education and exemplary experience hosting student teachers.

Waiver Application Process

For the 2024-2025 school year, the application process for the Mentor waiver was completed entirely online through SurveyMonkey Apply. School system staff began the process by submitting the Mentor's name and email address and the principal's name and email address. The Mentor and principal were then sent an email notifying them that they needed to complete the application.

The Mentor completed the section of the application that asks for details about their certification and information about their mentee. The principal completed the portion of the application that asks which qualification the Mentor holds that qualifies them to serve in the role. This is a drop down list that contains the requirements listed above for the waiver. Both electronically sign the application.

Mentor Waiver

Similar to previous years the mentor waiver will be granted on a **case-by-case basis** through the application process established by the LDOE and at no cost to the applicant, school system, or teacher preparation provider.

The 2024-2025 [Mentor Credential Waiver Application](#) opened on **August 1**. Refer to the [Mentor Waiver Application Guide](#) for details on completing this year's application.

The 2024-2025 Mentor waiver application portal will remain open until **June 12, 2025**.

Mentor Waiver - ALTERNATE Application

In April 2024 BESE also granted an Alternate Approval for those who did not meet the original waiver requirements.

An individual mutually agreed upon by the LEA and the teacher preparation program provider who does not meet one of the waiver criteria listed in the listed subsection may be approved for the waiver for a period of not more than two years.

The 2024-2025 [Mentor Waiver-ALTERNATE Application](#) opened on August 21, 2024.

The 2024-2025 [Mentor Waiver-ALTERNATE Application](#) portal will remain open until June 12, 2025.

Waiver ALTERNATE Application Process

For the 2024-2025 school year, the application process for the Mentor Alternative waiver will be completed entirely online through SurveyMonkey Apply.

School system staff began the process by submitting the Mentor's name and email address, the prep provider contact's name and email address and the principal's name and email address.

The application will be forwarded to all parties via email.

This application needs to be reviewed with completed attestation from the Mentor, the LEA, and the Teacher Prep Provider.

All will electronically sign the application.

Provisional License for Mentors

A Provisional License for Mentors is available to anyone who wishes to serve in the role of a Mentor, but does not yet hold the credential. To qualify for the provisional license an educator must be enrolled in an approved Mentor training program.

The provisional license can be held for one year while an educator completes a mentor training program and assessment series. The provisional license **cannot** be renewed.

Mentor Policy Reminders

At the April 2021 BESE meeting the board approved changes to Bulletin 746 regarding mentor credential requirements. These updates include:

Honoring Previous Training and Experience

- EDL or previous administrative certifications
- NIET trained evaluators
- CLASS trained evaluators
- Supervision of Student Teachers

Removing the Content-Specific Assessments

Creating an Add-On Mentor Endorsement

This policy went into effect September 20, 2021.
