

ELA Back-to-School Professional Learning Series

The Louisiana Department of Education is excited to announce our ELA Back-to-School professional learning series. Through this learning series, teachers and instructional leaders will be able to explore the newly released ELA resources and identify how to use them in the coming year. Educators should view the videos below to learn more about each resource prior to instructional planning.

| Back-to-School Professional Learning Topic | Professional Learning Links |
|---|-----------------------------|
| Interactive Supports This training will model how to use the newly released Interactive Supports. Educators will also learn best practices for using the Interactive Supports when planning for implementing lessons from their high-quality instructional materials. | Recording Presentation |
| ELA Guidebooks 9-12 (2020) Mentor Sentence and Vocabulary Activity Updates This training will update teachers and instructional leaders on the updated ELA Guidebooks 9-12 (2020) mentor sentence and vocabulary activity updates. In addition, educators will receive guidance on how these activities strengthen students' writing skills and prepare them for post secondary success. | Recording Presentation |
| ELA Guidebooks 3-5 (2022) Let's Set the Context This training will show teachers and instructional leaders who implement ELA Guidebooks 3-5 (2022) how to use the newly created Let's Set the Context videos. These videos support students in building knowledge in preparation for upcoming lessons within the unit. | Recording Presentation |
| Accelerating Learning in ELA This training will briefly overview accelerating learning in ELA and highlight resources to clearly define the LDOE's acceleration strategy related to ELA. We will then outline best practices for learning acceleration in ELA. | Recording Presentation |
