# High School Science Professional Learning

Biology, Chemistry, Physics Summer 2024

## Overview

To support acceleration in high school science, the LDOE is hosting **in-person, regional** high school science professional learning opportunities this summer for Biology, Chemistry, and Physics educators at **no registration cost** to systems.

### Why?

The purpose of these sessions is to prepare educators to implement **OpenSciEd High School units** in the upcoming school year.

### Who?

This opportunity is open to any high school teacher in these courses and anyone who supports high school science in a **public** or **Type II charter school**.

### When and Where?

Course	Session	Date	Location
Biology	Two-day intro	July 15-16	Ruston & Alexandria
		July 22-23	Baton Rouge area
	Two-day follow up	July 17-18	Ruston & Alexandria
		July 24-25	Baton Rouge area
Chemistry	Two-day intro	July 22-23	Baton Rouge area
	Two-day follow up	July 24-25	Baton Rouge area
Physics	One-day overview	July 16	Alexandria

Systems will be responsible for any additional costs including stipends, travel, meals, etc. Request seats by completing the [registration form](#) by **June 7**. Seats are limited and will be distributed on a first come, first served basis. Reach out to [STEM@la.gov](mailto:STEM@la.gov) with any questions.
