ORDER

This matter came on for hearing the tenth day of August, 2012 on the Louisiana Department of Children and Family Services' (the Department) request for a preliminary injunction. After considering the evidence presented, the testimony of the witnesses, and argument of the parties, the Court believes that the Department has made out a *prima facie* case that it is entitled to the relief sought. Therefore,

IT IS ORDERED that a preliminary injunction issue, without bond, directed to defendant LADONNA JACOBS, enjoining, restraining, and prohibiting her, her officers, agents, employees, representatives, and all others acting at her direction or on her behalf, from operating a child day care facility without first having obtained a valid, current license from the Department of Children and Family Services.

Lake Charles, Louisiana this tenth day of August, 2012.
