## Understanding the Matching Process

1. We honor family choice first.
  - a. Families rank their choices in order of preference
  - b. We will try to match students to their top choice, or one of their top choices
2. Some schools have more applications than seats.
  - a. When that happens, we use the following priorities to help decide which students get seats first:
    - (1) Students transferring from a closing Scholarship school
    - (2) Current NSECD students, if applicable,
    - (3) Siblings,
    - (4) Current scholarship student applicants that are in a transition grade,
    - (5) Students transferring from a sanctioned Scholarship school
    - (6) Applicants residing in the same parish as the school, if applicable,
    - (7) Applicants attending a D, F, T school,
    - (8) Applicants attending a C school,
    - (9) Applicants seeking to transfer from one scholarship school to another.

Please note, wherever possible, we try to ensure that siblings stay in the same school. Siblings are defined as sharing the same parent/guardian and/or home address.

Please indicate on the application the names of siblings in the appropriate area in order to receive priority.

### **Students with Disabilities:**

The Louisiana Department of Education does not consider a student's disability when matching students to schools. Some non-public schools may offer additional education services for students with disabilities, but all schools must enroll all students awarded, regardless of disability. Please check with the school(s) of your choice before listing it on your child's application to ensure it is able to meet your child's needs.

- Eligibility does **NOT guarantee** a seat at a Scholarship school.

## Frequently Asked Questions

### **What is the Louisiana Scholarship Program?**

The Louisiana Scholarship Program is a program designed to provide students with additional opportunities to attend the school of their choice. Applicants are eligible to receive state-funded Scholarships to enroll in participating nonpublic schools or high performing public schools.

### **How do I know which schools are participating in the program?**

A list of participating schools is available online at [http://www.louisianabelieves.com/docs/default-source/school-choice/2013-2014-scholarship-school-list-\(interactive\).pdf](http://www.louisianabelieves.com/docs/default-source/school-choice/2013-2014-scholarship-school-list-(interactive).pdf) If you do not have access to a computer, you can call the Louisiana Department of Education's Help Center at 1.877.453.2721 or email [studentscholarships@la.gov](mailto:studentscholarships@la.gov).

### **Does it matter how quickly I apply?**

No. There is no preference for early applications. All qualified applicants who meet the deadline will have an equal chance of selection, regardless of whether they are the first or the last to submit an application.

### **Do I need to turn in an application at each school I rank on my application?**

No. You only need to turn in one application. You may rank up to five schools on your application, and our matching program will determine which school your child matches with. You only need to submit one application, no matter how many schools you rank.

### **What will the program cost me?**

The program is free to all qualifying students. For nonpublic schools, the Scholarship will cover the full amount of a school's tuition and required fees, up to the maximum state allocation per student. However, we encourage you to reach out to schools of interest to see what services are included.

Public schools will receive the full value of the maximum state allocation.

Funds will be paid directly to the school on behalf of the student. Uniforms and any optional fees, including field trips and lunch (if school does not participate in the free and reduced-price lunch program) will be your responsibility.

### **Where can I find a list of C, D, F or T schools?**

<http://www.louisianabelieves.com/docs/default-source/school-choice/eligible-public-school-list.xlsx>

### **Do all students who apply to the program receive Scholarships?**

The Louisiana Department of Education will attempt to place as many applicants as possible in their preferred school choice; if the number of applicants exceeds the number of seats available at a specific school and grade level, then those Scholarship seats will be awarded through an unbiased lottery process. Acceptance in another school may be available on a limited basis and not guaranteed.

### **Will participating schools provide transportation?**

Providing transportation for all Scholarship students is not a requirement of this program. Please check with the participating school of your choice to determine if transportation services are available.

### **Where can I get more information?**

For more information about the Scholarship Program, please visit the program's website at <http://www.louisianabelieves.com/schools/louisiana-scholarship-program>, email [studentscholarships@la.gov](mailto:studentscholarships@la.gov), or call the Louisiana Department of Education's Help Center at 1.877.453.2721. The Help Center is available Monday through Friday, 8 a.m. to 4:30 p.m.

**How does this program serve students with disabilities?**

The Louisiana Department of Education does not consider a student's disability when matching students to schools. Some Scholarship schools may offer additional education services for students with disabilities, but all schools must enroll all students awarded, regardless of disability. Please check with the school(s) of your choice before listing it on your child's application to ensure it is able to meet your child's needs.

**What if my child is entering a grade their current school does not serve?**

You must submit a new application and list choices that serve the appropriate grade, but you are not required to re-submit eligibility documentation. Students in transition grades receive preference in the lottery but are not guaranteed a placement. If you do not submit an application, your child will not receive a placement for next year.
