**Date:** April 29, 2016

**To:** Honorable Members of the Louisiana Legislature

**From:** Erin Bendily, Assistant Superintendent, Policy & Governmental Affairs  
Louisiana Department of Education

**Re:** Louisiana Scholarship Program Annual Report

Per Louisiana R.S. 17:4024, the Department is required to annually report to the Senate Committee on Education, the House Committee on Education, the Joint Legislative Committee on the Budget, and each individual legislator regarding the implementation of the program. The report, at a minimum, shall include the following information:

- 1) The total number of students receiving scholarships.
- 2) A list of all schools participating in the program.
- 3) A list of all schools participating in the program grouped by legislative district.
- 4) The total student enrollment of each participating school, the number of scholarship recipients enrolled in each school, and the percentage of the total enrollment of each school represented by scholarship recipients.
- 5) Aggregate test result data for the scholarship recipients enrolled in each participating school.

Attached please find the most recent 2014-2015 annual report for the program. The additional required information for each participating school is contained below.

**Total number of students receiving Scholarships in 2014-2015:** 7,362

Because of the privacy protections numerical and percentage totals may not add precisely to the sum of the row or column to which the total refers.

<sup>ii</sup> Overall Louisiana Scholarship Program Student Performance Rates – All Tested Grades & Subjects: Scholarship program student performance rates equals the overall percent of students that achieved either: a) Basic & Above on 3rd through 8th grade Leap/iLeap exams; or, b) Good & Excellent on End of Course Exams. The ~ symbol indicates statistically unreliable data (subgroups of fewer than 10 students).
