# Tuition Donation Credit Program

---

## Introduction

The Tuition Donation Credit (TDC) Program was created by the Louisiana Legislature in 2012 and launched statewide during the 2013-2014 school year. The program is governed by *Bulletin 134 - Tuition Donation Rebate Program* and provides nonrefundable income tax credits to Louisiana taxpayers who donate to tax-exempt, not-for-profit organizations called School Tuition Organizations (STOs). STOs provide scholarships to students in low-income families to attend the nonpublic school of their choice.

To be eligible to receive a Tuition Donation Credit Program award, students must have a household income that does not exceed 250% of federal poverty guidelines and either be entering kindergarten for the first time, have attended a Louisiana public school during the previous school year, or have received a Louisiana Scholarship Program award the previous year. School Tuition Organizations determine the amount of student scholarships, with award amounts not exceeding the lesser of either the school's tuition and mandatory fees or 80% of the state average MFP for grades K-8 and 90% for grades 9-12.

During the 2022-2023 school year, approximately 3,316 students enrolled in a nonpublic school through the Tuition Donation Credit Program. To accept Tuition Donation Credit students, schools must be considered an approved nonpublic school by the State Board of Elementary and Secondary Education, as well as certified as compliant with non-discriminatory policies and practices as required by *Brumfield v. Dodd*.

All Tuition Donation Credit Program students are required to take annual state tests in math and English language arts with those results reported publicly as law and policy require.

Louisiana Revised Statute 47:6301 and *Bulletin 134 - Tuition Donation Rebate Program* require that the Louisiana Department of Education (LDOE) annually report the following information related to the Tuition Donation Program:

- Names of all qualified schools serving students with Tuition Donation Credit awards;
- Number of award recipients attending each qualified school; and
- State test results for award recipients in accordance with federal and state privacy laws.

## Enrollment and Performance Data

The Tuition Donation Credit Program student performance rates are outlined below in the table. Student performance (Basic and Above) equals the overall percent of students who earned an achievement level of “Advanced,” “Mastery,” or “Basic” on LEAP 2025 assessments and/or “Good” or “Excellent” on end-of-course assessments. Student performance (Mastery and Above) equals the overall percent of students who earned an achievement level of “Advanced” or “Mastery” on LEAP 2025 assessments. State assessment results of Mastery and Above are considered proficient.

The LDOE has modified and/or suppressed data reported to protect the privacy of students in compliance with the Family Educational Rights and Privacy Act (FERPA) codified at 20 U.S.C. 1232g. The strategies used to protect privacy vary and may include rounding or other techniques but do not substantially affect the general usefulness of the data. Because of the privacy protections numerical and percentage totals may not add precisely to the sum of the row or column to which the total refers. The ~ symbol indicates statistically unreliable data (testing subgroups of fewer than 10 students); N/A denotes schools without valid testing results.
