Once I've logged into SEE, how do I find my school's enrollment verification report?

1. Select "Student" from the top row and "Enroll" from the second row

1) Beginning School Session Year:

2) School:

2. Select "2014" for Beginning School Year
3. Your school's name will automatically populate under School
4. Place a check mark in the current quarter if the student is enrolled at your school on the count date
5. If a student has left your school, enter an "Exit Date" and select an "Exit Reason"
6. Once all students have either a check mark or an exit date next to their name, click "Save Changes"

Fill in Entry Dates for students and check off if they are enrolled for the given quarter. Data will *NOT* be saved until the 'Save Changes' button is clicked and no errors exist. If an Exit Date is entered, an Exit Reason MUST be entered.
