

2024-2025
Charter School
Application
(Experienced Operator)

Introduction

The Louisiana State Board of Elementary and Secondary Education (BESE) is the administrative body for all Louisiana public elementary and secondary schools. BESE also performs certain administrative functions for the state’s nonpublic elementary and secondary schools. BESE adopts regulations and enacts policies governing the operations of the schools under its jurisdiction and exercises budgetary oversight of their educational programs and services.

Louisiana serves nearly 800,000 students within 164 Local Education Agencies (LEAs). The students of Louisiana are diverse and thus, shall be provided with school choice options that best fit their individual needs. The graphics below provide more detail on the student demographics.

DATA POINT	NUMBER
Local Education Agencies (LEAs)	164
Public and Nonpublic Schools	1,711
Public and Nonpublic Students	791,474
English Learners*	5%
Economically Disadvantaged*	72.5%
Students with Disabilities**	13.8%
Publicly-Funded Early Childhood Sites	1,443
Publicly-Funded Early Childhood Children	16,402

* Public school students only.

** Public school students as well as nonpublic school students served by an LEA but not enrolled in a Louisiana public school.

Data as of October 2023.

Current Portfolio

The charter school law (La. R.S. 17:3971 et seq.) was enacted by the Louisiana Legislature to create a structure whereby city, parish, and other local public school boards and BESE can authorize the creation of innovative schools for students in Louisiana.

In Louisiana, the purposes of charter schools include providing opportunities for educators and others interested in educating pupils to form, operate, or be employed within a charter school, with each such school designed to accomplish one or more of the following objectives as cited in [Bulletin 126 - Charter Schools](#):

1. Improve pupil learning and, in general, the public school system;
2. Increase learning opportunities and access to quality education for pupils;
3. Increase educational opportunities for students in formerly failing schools;
4. Increase learning opportunity choices for parents and students;
5. Encourage the use of different and innovative teaching methods and a variety of governance, management, and administrative structures;
6. Require appropriate assessment and measurement of academic learning results;
7. Account better and more thoroughly for educational results;
8. Create new professional opportunities for teachers and other school employees, including the opportunity to be responsible for the learning program at the school site;
9. Provide competition within the public school system to stimulate continued improvement in all public schools; and/or
10. Expand the capacity of the public school system.

Charter Types

There are six types of charter schools in Louisiana, outlined in the table below. The oversight for Type 1, 3, and 3b charter schools lies with the local district by which the schools are authorized, while the Louisiana Department of Education (LDOE) is directly responsible for the oversight of Type 2, 4, and 5 charter schools.

BESE accepts applications for Type 2, Type 4, and Type 5 charter schools, and local charter authorizers accept applications for Type 1, Type 3, and Type 3b charter schools, each of which have specific pathways and requirements for submission:

CHARTER TYPE	DEFINITION
Type 1	A new school operated as a result of and pursuant to a charter between the nonprofit corporation created to operate the school and a local school board.
Type 2	A new school or a preexisting public school converted and operated as the result of and pursuant to a charter between the nonprofit corporation created to operate and BESE.
Type 3	A preexisting public school converted and operated as the result of and pursuant to a charter between a nonprofit corporation and the local school board.
Type 3b	A former Type 5 charter school transferred from the Recovery School District (RSD) to the administration and management of the transferring local school system.
Type 4	A preexisting public school converted and operated or a new school operated as the result of and pursuant to a charter between a local school board and BESE.
Type 5	A preexisting public school transferred to the Recovery School District (RSD) as a school determined to be failing pursuant to state statute and operated as the result of and pursuant to a charter between a nonprofit corporation and BESE.

Operator Tracks

An applicant shall choose to be considered as one of the two operator tracks, based upon the requirements set forth.

TRACK	REQUIREMENTS
New Operator	<ul style="list-style-type: none"> Nonprofit organization whose primary members (founder and/or proposed school leader) do not have prior experience in leading or managing a public school; and Who do not intend to employ an educational service provider (ESP) with prior experience in leading or managing public schools.
Experienced Operator	<ul style="list-style-type: none"> Nonprofit organizations whose primary members (founder and/or proposed school leader) have prior experience in leading or managing a single public school; and/or Nonprofit organizations which have operated more than one charter school; and/or Nonprofit organizations which intend to employ an education service provider (ESP) which has operated more than one charter school.

*Experience leading or managing public schools is defined as one complete academic year.

26. How many new employees (teachers, operational and financial staff, and other key school support staff) will the organization hire each year of growth if approved to open the proposed school(s)? Discuss the organization's current capacity to meet these demands. Consider previous hiring patterns, current retention rates, and human resources capacity at the non-profit organization level.

School Leadership Team Capacity

All responses in this section must speak specifically to the proposed school leadership team that includes instructional, operational, and financial leadership. Specifically, this should be the senior most individuals of the team in each of these areas. For new operators, a school leader must be identified. If other senior leadership roles have not yet been filled, provide a copy of the job description outlining the role and required experience.

Appendix 4: Provide the resume for every member of the proposed school leadership team. Provide a table for each member that includes their name, proposed role, expertise, and bullet-point rationale. Please note all information provided in the resume are subject to the Louisiana Public Records law.

Charter Board Governance

27. Provide the board member roster including each person's role, a brief description of major responsibilities, and their expertise area (academics, finances, legal issues, management and operations, and/or community relations).

Appendix 5: Provide the resume for every member of the charter board. Please note all information provided in the resume are subject to the Louisiana Public Records law.

28. Identify any existing relationships that could pose actual or perceived conflicts if the application is approved. Discuss specific steps that the board will take to avoid any actual conflicts and to mitigate perceived conflicts, in accordance with the Louisiana Board of Ethics' Ethics Code. If partnering with an ESP, specify how the board will identify any perceived conflicts of interest between the board and the proposed ESP or affiliated business entity and the steps that the board will take to mitigate the perceived conflict. Disclose and explain any existing or perceived conflicts of interest between the board and the proposed ESP or affiliated business entity.
29. Describe the process to effectively demonstrate that board members understand that a charter board is a governing board. Name the safeguards that will be in place to prevent the charter board from being too involved in the day-to-day management operations. Describe the governance structure and duties of the

charter board. Describe any committees, advisory bodies, or councils and their roles and responsibilities. Explain how the proposed structure will ensure accessibility to staff, community, and families.

30. List and provide a detailed description of the charter school's measurable organizational and financial goals for each of the first five years of operation.
31. Explain how the board will monitor the academic, organizational and financial goals stated within the application, including actions that will be employed if the school is trending toward not meeting goals.
32. Provide an explanation of how the board will evaluate the school leader/CEO, monitor progress toward renewal standards, and actions that will be employed if the school is trending towards not meeting renewal standards, including:
 - a. The information the board will collect;
 - b. The specific measures and metrics to be used; and
 - c. The timeline and frequency of evaluation.
33. Describe the management and accounting practices to be employed for financial planning, accounting, purchasing, and payroll that the school and board will utilize. Explain how these plans will sustain the financial health of the organization and ensure legal compliance with any requirements (including audits) and restrictions for the use of public funds, including:
 - a. Identifying how the board will monitor the school's financial position and
 - b. Describing what financial controls the organization will have in place at the central and school level to ensure long term financial viability.
34. Describe the plan for the training and development of new members and continuing members.
35. Specify how frequently the board plans to meet. Describe the procedures that will be in place to ensure compliance with the Open Meetings Laws and Open Records Act.

Appendix 6: Provide a draft of the proposed charter board's governing bylaws.

Financial Plan and Capacity

Operational Management and Leadership

36. Describe the applicant team's individual and collective qualifications for implementing the Operations Plan successfully, including capacity in the areas of: staffing, professional development, performance management, general operations, and facilities management.
37. Describe how the school will manage its non-academic services once it opens and who will be responsible for overseeing which operational aspects of the school, including transportation, food services, facilities, purchasing processes, student records and school safety. State specifically how transportation will be designed to meet the needs of the special population subgroup (economically disadvantaged students and students with disabilities). You may use a table if applicable.

Student Enrollment and Recruitment

38. Explain the plan for student recruitment and marketing that will provide equal access to interested students and families. Specifically, outreach for families in poverty; academically low-achieving students; students with disabilities; and other youth at risk of academic failure.

Financial Plan

39. Provide a detailed explanation for all revenue sources outside of state and federal funds such as philanthropy, student fees, grants, etc., and specify what is committed or anticipated revenue.
40. Provide a narrative describing a contingency plan in the event that the actual revenues are lower or expenses are higher than anticipated in the financial model.
41. Do you plan to use a financial manager or back office service provider? If the entity that will provide your financial services has been chosen, provide the name and a description of services. If it is an individual financial manager, provide the resume as **Appendix 7**.
42. Specify whether any of the organization's schools are not currently meeting the financial requirements and expectations established by the authorizer and/or local or federal policies. Describe the circumstances.
43. Explain the process the school will use to develop its annual budget including:
 - a. Who will be involved and
 - b. How needs will be identified and weighed.
 - c. For virtual, include the process for recruiting and hiring virtual staff and serving students who require in-person intervention and related services.

Appendix 8: Provide a list of the types of insurance coverage the school will secure, a brief description of each, and describe the levels of coverage. Types of insurance should include worker's compensation, liability, property, indemnity, directors and officers, automobile, and other. Include provisions regarding the inspection and operation of all fire prevention and safety equipment at the school.

High School Addendum (If Applicable)

For applicants proposing high school grades, the following questions must be completed. The high school addendum must not exceed 5 pages (excluding appendices).

1. In addition to core content offerings and graduation requirements, are there other classes or courses the proposed school will offer? If so, explain how these offerings align with the proposed school model and mission and how they will benefit the intended student population.
2. What diploma pathways, Jump Start 2.0 pathways, early access to college credit will the proposed school offer? Additionally:
 - a. Describe the plan to ensure that all students can meet the requirements of the given college and/or career preparatory program in four years or less (five for Transitional 9th-grade students);
 - b. Describe the reasoning for choosing the college and/or career preparatory program or curricula for your proposed school, including resulting post-secondary opportunities available to participating students, internships, additional teacher training/certification requirements, and the degree to which the chosen program will realistically result in post-secondary readiness and success;
 - c. Provide a description of the process by which students will select their desired diploma pathway;
 - d. What supports will be offered to students in their selection process; and
 - e. Methods by which the school will guarantee equity of access for all students.

Appendix 9: Provide an outline of course offerings by diploma type(s) offered at the proposed school by grade level for the first five years of operation.

3. Identify the Advanced Placement course offerings, International Baccalaureate, Dual Enrollment, ACT preparation, and Career and Technical Education courses you will offer to students, as well as a rationale for choosing these programs/curricula.

Appendix 10: Using a table, identify the Advanced Placement course offerings, International Baccalaureate, Dual Enrollment, ACT preparation, and Career and Technical Education courses you will offer to students by grade level during the first five years of operation.

4. What Industry-Based Certificate assessments will be offered to students on a Jump Start 2.0 pathway and provide rationale for these selections. Additionally:
 - a. Describe the reasoning for those selections including the alignment to in-demand occupations;
 - b. How those selections will result in career opportunities for the proposed student population;
 - c. The use of community resources (if applicable); and
 - d. How the budget will support the additional training and/or certifications needed.
5. Describe how students will have access to [Internships, Cooperative Education, or Fast Forward Registered Apprenticeship On the Job Training](#).
6. Explain what systems and structures the school will implement for students at risk of dropping out.

Corporate Partnerships Addendum (If Applicable)

For all applicants proposing a corporate partnership, the following must be completed. The page limit for the Corporate Partnerships Addendum is 3 pages (excluding appendices).

Appendix 11: Describe any proposed corporate partnerships, as specified in La. Bulletin 126, Ch. 39. Provide a Letter of Intent of the intended partner organization.

Educational Services Provider Addendum (If Applicable)

For all applicants intending to contract with an Educational Service Provider (ESP), the following must be completed. The page limit for the Educational Services Provider (ESP) Addendum is 5 pages (excluding appendices).
