

The School Redesign Summit provides districts with the opportunity to meet potential partners with different approaches to turning around struggling schools. Your district will meet with at least seven potential partners for ten minutes each on the morning of the summit and will have the opportunity to preference three partners with whom your district would like to spend more time in the afternoon.

Below, please find your district's morning School Redesign Summit schedule. Larger districts that are splitting into two teams for morning meetings will receive both an (A) and (B) schedule as separate documents.
