

The School Redesign Summit provides districts with the opportunity to meet potential partners with different approaches to turning around struggling schools. Your organization will meet with numerous potential district partners for ten minutes each on the morning of the summit and will have the opportunity to meet with up to three districts that choose to spend more time in the afternoon.

Below, please find your organization’s morning School Redesign Summit schedule. Organizations that are splitting into two teams for morning meetings will receive both an (A) and (B) schedule.
