**What is the source of these funds?** HB 1 of the 2025 Regular Session of the Legislature allocated \$850,000 in state funds for the purchase of instructional materials and supplies for each student enrolled in a vocational agriculture, agribusiness, or agriscience course, as of the most recent October 1 count.

**Are these annually re-occurring funds?** No, these funds are in the form of a year to year allocation.

**Are these funds part of the MFP?** No, these funds are completely separate from any MFP funds.

**Are these funds part of any Federal grant?** No, these funds are state funds.

**When does the department usually release these funds to the school systems?** These funds are usually released in April each year.

**What data is utilized to calculate the allocation?**

Two data sets are combined as a basis for this allocation: First, all eligible courses; second, the number of eligible students enrolled in the eligible courses.

**Through which data system are the course and student enrollments reported to the department?** The courses and student enrollments are reported by school systems to the department through the CLASS course data system.

**How is the allocation calculated?** The allocation is calculated by dividing the number of eligible students into the allocation amount (\$850,000) to create a per pupil amount. Then each school systems is allocated an amount equal to the per pupil amount multiplied times the number of students enrolled in eligible courses.

**What can these funds be utilized for?** These funds shall only be utilized to purchase instructional materials and supplies for students in vocational agriculture, agribusiness and agriscience courses.

**Do these funds need to be spent by June 30 of the current fiscal year?** Yes, the intent is to expend the funds in the current fiscal year.

**Where should this revenue be coded in the Annual Finance Report (AFR)?** The revenue should be coded in the Annual Finance Report (AFR) as Revenue from State Sources – Other Restricted Revenues, key punch code (kpc) 6250.

**Where should expenditures be coded in the Annual Finance Report (AFR)?** Expenditures should be reported in Career and Technical Education Programs - Instructional Supplies, either Technology-Related Supplies, kpc 17050, Materials and Supplies, kpc 17060, Textbooks/Workbooks, kpc 17070 or Other Supplies, kpc 17080.
