Sessions

LEA planning team members will have the opportunity to choose **three** sessions that fit their needs and interests. Attendees from each LEA should coordinate with one another to ensure they get all the necessary information. All sessions are filled on a first come, first served basis.

Session Topics	Session Title	Session Description	Rotation(s)	Room
School System Planning	Developing Meaningful Family Engagement Policies under ESSA	In order to receive funding for Title I plans under ESSA, schools and school systems must involve families in the development of family engagement polices and compacts. This session will provide participants with an overview of family engagement requirements in the law, and a model process and tools for developing school and family compacts.	3	Room 421
Accountability	Understanding Cohort Graduation Start to Finish	In this session, participants will be informed about how cohort membership is defined, how state records affect the identification of graduate and student earning credentials, and how to certify data. The new cohort report will also be shared and discussed.	1	Café Room 600
Instruction: Math	High School Math and STEM Updates: What is currently happening, and what will be available for 2018-2019?	Participants in this session will discuss the findings from Springboard Intensive Algebra I, Statistical Reasoning, and Introduction to Engineering implementations and the vision for 2018-2019 regarding high school math and STEM opportunities.	3	Room 422
Instruction: Math	"Hot Off the Press" High-Quality Math Curriculum Updates	As schools and districts begin thinking about the 2018-2019 school year, this session will provide an overview of available high-quality math curriculum options and program updates. We will discuss each high quality program, the benefits and limitations of each, new vendor-led initiatives, and available PD to support implementation. Participants will leave with clear next steps to ensure implementation in 2018-2019 is a success.	1, 2	Room 422

Session Topics	Session Title	Session Description	Rotation(s)	Room
