

Certificated and Support Staff Stipends Allocation Guidance

September 2024

This document provides answers to questions regarding the special appropriation for certificated and support staff stipends in FY2024-25.

For further information on the pay raises, send inquiries to <u>schoolfinancehelpdesk@la.gov</u> or call the Office of School System Financial Services at 225.342.3617.

What is the Certificated and Support Staff Stipend Allocation?

This allocation provides funding for certificated and support staff stipends from funds appropriated during the 2024 Regular Session of the Legislature.

What is a stipend?

A one-time nonrecurring payment to employees.

Were these funds included in the Minimum Foundation Program (MFP) formula?

No, this funding is a separate Legislative appropriation. The funds for the certificated and support staff stipends are NOT included in the FY 2024-25 MFP Formula Resolution.

What stipend amounts are included in the allocation?

The allocation provides stipends in the amount of \$2,000 for certificated staff and \$1,000 for support staff.

Will the employer share of the contribution rate for these stipends be included in the allocation?

Yes, the associated employer retirement costs for the stipends are funded at 21.51% for certificated and 25.8% for support staff.

Which systems and schools are eligible to receive an allocation?

City and parish school systems, Legacy Type 2 charter schools, New Type 2 charter schools, Lab schools, state schools, and RSD operated and Type 5 charter schools are eligible for the allocation.

Should a Type 1 charter school authorizer pass along the stipends to the Type 1 charter schools?

Yes, the certificated and support worker counts for Type 1 charter schools are reported to the department through the staffing data collection and included in the source data for the allocation.

Will charter schools receive the portion of the stipend allocation for the employer share of the retirement contribution?

Yes, in order to address the associated costs of the retirement obligations of their particular retirement plans, charter schools will receive the allocation for the employer share of the retirement contribution for both certificated and support personnel stipends.

What is the calculation methodology for the stipend allocation?

The number of eligible full-time equivalent positions multiplied by the certificated and support stipend amount determines the allocation.

What is the data source for the full time equivalent (FTE) position count data?

The full-time equivalent staff counts was reported by school systems and schools across the state to the EdLink 360 staffing data collection system in the annual Fall reporting period.

What specific information determines if a position is a certificated or support staff position?

The object and function code combinations reported in the annual Fall staffing data collection for each position are the determining factors for identifying positions as either certificated or support staff. The staffing collection submission guidance provides information on the different object/function combinations available and can be viewed at EdLink 360 support page.

What is an object code?

An object code is used to describe the service or commodity obtained as the result of a specific expenditure. In the case of staffing, the object code identifies that the expense is for salaries and then further defines the type of salaries.

What is a function code?

The function code describes the activity for which a service is acquired. In the case of staffing data, the function code identifies the activity in which a staff member participates.

In what document is the object and function codes defined?

Certificated and support staff are defined in the LDOE's accounting framework found within *Bulletin 1929, Louisiana Accounting and Uniform Governmental Handbook (LAUGH)*.

Which positions are eligible to be counted in the certificated staff data?

Positions that traditionally require a teaching or school leadership certificate, are known as certificated personnel and are counted in the data used in the certificated stipend allocation. The eligible position titles and associated object/function codes include:

Certificated Staff Stipend

- Teachers (function codes 1000-2200s, object code 112)
- Therapists/Specialists/Counselors (function codes 1000- 2200s, object code 113)
- School Site-based Principals, Assistant Principals, and Other School Administrators (function code 2400s, object code 111)
- Central Office Certificated Administrators (function codes 1000-2200s & 2324, 2831, and 2832 (excluding 2130s), object code 111)
- School Nurses (function code 2134, object code 118)
- Sabbaticals (function codes 1000-2200s, and 2400s, object code 140)

Which positions are eligible for the support staff stipends?

School-level positions that do not require a teaching or school leadership certificate are eligible to be counted in the data used in the support stipend allocation The eligible position titles and associated object/function codes include:

Support/Non-Certificated Staff Stipends

- Aides (function codes 1000-4900s, object code 115)
- Support Supervisors (function codes 2130s, 2300s (excluding 2311, 2321, and 2324) and 2500-4900s (excluding 2831 and 2832), object code 111)
- Clerical/Secretarial (function codes 1000-4900s, object code 114)
- Service Workers (function codes 1000-4900s, object code 116)
- Skilled Craftsmen (function codes 1000-4900s, object code 117)
- Degreed Professionals (function codes 1000-4900s, (excluding 2134s) object code 118)
- Other Personnel (function codes 1000-4900s, object codes 100, 110 and 119)

What positions are ineligible to be included in the staffing data?

Positions *ineligible* for inclusion in the staffing data utilized in the stipend allocation include those that are associated with Pre-K programs. The ineligible positions include:

Certificated Regular Pre-K Personnel

- Teachers (function codes 1530 and 1531, object code 112)
- Therapists/Specialists/Counselors (function codes 1530 and 1531, object code 113)
- Central Office Certificated Administrators (function codes 1530 and 1531, object code 111)
- Sabbaticals (function codes 1530 and 1531, object code 140)

Support/Non-Certificated Regular Pre-K Personnel

- Aides (function codes 1530 and 1531, object code 115)
- Clerical/Secretarial (function codes 1530 and 1531, object code 114)
- Service Workers (function codes 1530 and 1531, object code 116)
- Skilled Craftsmen (function codes 1530 and 1531, object code 117)
- Degreed Professionals (function codes 1530 and 1531, object code 118)
- Other Personnel (function codes 1530 and 1531, object codes 100, 110 and 119)

Are Resident Teachers included in this staff count?

No, Resident Teachers are not included in this staff count and not included in this allocation.

Are charter school positions eligible to be included in the position count that qualifies for the stipend allocation?

Yes, charter school positions are included in the staff count used in the stipend allocation.

Are part-time certificated and support staff eligible to be included in the staff data utilized for the stipend allocation?

Yes, since the basis for the stipend allocation is full-time equivalents, the part-time staff are counted commensurate to the time worked.

How will support staff positions in which certificated staff are employed be treated in the stipend allocation?

An individual with a teaching certificate who is employed in a support staff position that does not require a teaching certificate does not change the status of the classification of the position. The stipend for such a support position is funded at the support staff stipend amount.

Do uncertified teachers in certificated positions generate the same amount of the allocation as the certified teachers?

Yes, the position is funded at the certificated stipend amount.

Are only employees paid with State General Fund included in the staffing data utilized for the allocation?

No, all positions, regardless of fund source, are included in the position count and funding for the stipends.

Are ROTC Instructors included in the staff data utilized for the allocation?

Yes. BESE has adopted a policy requiring that individuals teaching Junior ROTC have an ancillary certificate. These instructors previously fell within the object/function code combination for teachers. With the BESE policy regarding ancillary certificates for ROTC instructors, these instructors now meet the dual requirement qualifying them to be included in the staff data for the stipend allocation.

Is each individual certificated or support staff person eligible for the stipend?

No, the allocation is based on the positions, not the individual staff members.

Does the Department of Education determine the specific staff members that will receive a stipend?

No, systems and schools have the authority to identify the staff members that will receive the stipend. The legislative intent is that staff receive the stipend amount in alignment with the positions utilized to allocate the funds.

Will the stipend allocation be released to school systems and schools monthly?

No, the entire allocation will be paid to school systems and schools in one payment.

What is the expected release date of the funds to school systems and schools?

The expected release date is on or about September 13th.

How will these funds be distributed to school systems and schools?

Allocation recipients will receive funds in the same manner as other payments are currently received to include electronic or paper check.

Must the certificated and support staff stipends be provided to system and school staff members in the \$2000/\$1,000 amounts?

Yes, certificated and support staff should be provided the stipends in the exact amount of \$2,000 for certificated and \$1,000 for support staff.

Are the school systems and schools required to pass along the stipends their staff?

Yes, school systems and schools are required to pay these funds to staff.

What are the required timelines for distribution of the stipends?

The distribution schedule for the stipends is a local decision. However, the total stipend amount must be paid to staff *prior to December 15, 2024* per the legislation authorizing the funds.

Must the school board approve these funds prior to the distribution of the stipends to employees? Yes, prior to distribution of the stipends, the school board must adopt the stipend distribution plan.

What documents should be presented to the local school board for approval of the stipend distribution plan?

The stipend payment plan should be included in the salary schedule document annually presented to the local school board for approval.

If the local school board has already approved the salary schedule for this year, is a separate vote and approval needed to amend the plan for the stipends?

Yes, if the salary schedule has already been approved, an amendment to the plan is necessary in order to implement the distribution plan for the stipends.

What documentation must be in place to substantiate approval of the distribution plan by the school board?

Minutes from the school board meeting must be available to substantiate the approval by the local school board.

Will the independent CPAs be required to perform audit procedures to verify that the distribution plan for these stipends received appropriate approval by the school boards?

Yes, State Agreed Upon Procedures as published by the Legislative Auditor's Office will require that independent CPAs review the documentation to substantiate appropriate approval of the stipend distribution plan and inclusion in the salary schedule documents.

What documentation must the recipients retain to substantiate the distribution of funds to employees?

Payroll records detailing the amount and date of the release of the stipend payments to employees must be maintained to substantiate the appropriate use of these funds.

Will recipients of these funds be required to submit documentation on the approved plan along with dates and amounts of the distributions to the Department?

Yes, the department will require that recipients provide data on the use of these funds. This data request will come in early spring 2025.

How should these funds be accounted for in the accounting records?

It is recommended that these funds be accounted for in a special account/fund within the General Fund for appropriate tracking.

What is the revenue account code/KPC in the Annual Financial Report (AFR) in which these funds must be reported?

The account codes in which these funds should be reported in the AFR are: Revenue - Revenue from State Sources, State Restricted Grants-in-Aid, Other Restricted Revenues, Keypunch code 6250 and Acct code 3290.

What is the expenditure account code in which these funds must be reported for PEP?

The expenditure account codes in which these funds should be reported in for PEP is object code 150.
