

Strategy-Based Planning Template

Take five minutes to review the strategy-based planning template. Working independently, consider the following questions:

In what ways do you anticipate the planning template could support you in considering how you'll implement each of the strategies?

In what ways does the planning template give flexibility to determine priorities that may be unique to your school system?

Are there parts of the template you feel more confident about completing? Parts of the template where you anticipate needing support from others within your school system?
