Sessions

After the General Session, participants will have the opportunity to choose **three** sessions that fit their needs and interests. Attendees from each school system should coordinate with one another to ensure they get all the necessary information. Attendees will *not* register for specific sessions in advance. All sessions are filled on a first come, first served basis. All information in the table below is subject to change.

Session Topics	Session Title	Session Description	Audience/Room
OPENING			
<p>School System Planning</p>	<p>Opening Session</p>	<p>In this opening session, participants will learn about progress in two key focus areas: redesign implementation and school system planning. First, participants will receive an update on redesign implementation by reviewing the most recent curriculum implementation data; and second, participants will explore how the day's collaboration sessions connect key components of the school system planning framework to next steps for 2019-2020.</p>	<p>All: Riverview A & B</p>
<p>NOTES:</p>			

Session Topics	Session Title	Session Description	Audience/Room
ROTATION 1			
Academic Content	I've Observed, Now What?	Participants will analyze the data from the first semester of School Redesign observations and discuss strategies for responding to the data. Session repeats for Rotations 2 and 3.	Governor Room
Academic Content	Improving Outcomes for Children Birth Through 3rd Grade Through Early and Accurate Identification	Too few children are reading on or above grade-level in 3rd grade in part because they don't receive targeted instruction and supports early enough to master foundational language and literacy skills. Participants will learn about a partnership opportunity between LDE and interested districts to improve the identification and supports for children birth to 3rd grade with developmental and learning needs. A general overview of the partnership opportunity will be followed by a Q&A. This session repeats at Rotation 3.	Capitol Room
Accountability & Assessment	Verifying Graduation Data for High Schools and Alternative Schools	This session will provide an opportunity for participants to review and discuss the verification of graduation data, the review of exit codes, and the collection and verification of data used in the new alternative school accountability system.	Riverview A&B
Early Childhood	Effectively Integrating the New Pre-K Eligibility Requirements into your Coordinated Enrollment System	Will the new pre-K eligibility requirements mean boom or bust for your network? Can a communication strategy make a difference? What do you need to do to ensure that you and your partners use the new requirements to benefit your community? This session will focus on actionable information.	Victory Room (Mezzanine Level)
Student Opportunities	Johns Hopkins High School Redesign Cohort: Principal Community of Practice	In this session, Johns Hopkins TDS will continue building Principal understanding of evidence based school improvement strategies while expanding leadership awareness and engagement of available resources and exemplars. Session begins at 9:10 a.m. and concludes at noon. (NOTE: This session is for principals.)	Paramount

Note: All of the session information in this table is subject to change.

Session Topics	Session Title	Session Description	Audience/Room
Talent	Effectively Utilizing and Supporting Mentor Teachers	This session will explore strategies to effectively use Mentor Teachers to support and coach other teachers. Explore newly created tools for providing feedback to your mentor teachers by reviewing draft versions of the mentor teacher rubric. Participants will have an opportunity to provide feedback on this tool as well as discuss the possibility of piloting this tool.	University Room
Talent/Early Childhood	Getting ECE Ancillary Programs Off the Ground	In this session, ECE ancillary providers will discuss ideas on recruitment, enrollment, and pathways scholarships.	King Room
ROTATION 2			
Academic Content	Supporting Students in English Language Arts (Part 2 of 3)	In part 1, participants learned about a framework, tools, and specific approaches to support students who struggle in ELA. In this session, participants will experience firsthand how the specific approaches support students in accessing core instruction.	Riverview A & B
Academic Content	I've Observed, Now What?	Participants will analyze the data from the first semester of School Redesign observations and discuss strategies for responding to the data. This session repeats for Rotation 3.	Governor Room
Early Childhood	Sharing and Leveraging Resources to Support your Community Network	Making the most of available resources requires strategy and cooperation. Ready Start Networks will focus on this through new governance structures aimed at improving access and quality. Savvy providers are doing this now for smoother and more efficient operations. Activity and discussion will focus on sharing ideas to get the most from your dollars.	Victory Room
Student Opportunities	Johns Hopkins High School Redesign Cohort: Principal Community of Practice	In this session, Johns Hopkins TDS will continue building Principal understanding of evidence based school improvement strategies while expanding leadership awareness and engagement of available resources and exemplars. (NOTE: This session is for principals.)	Paramount

Note: All of the session information in this table is subject to change.

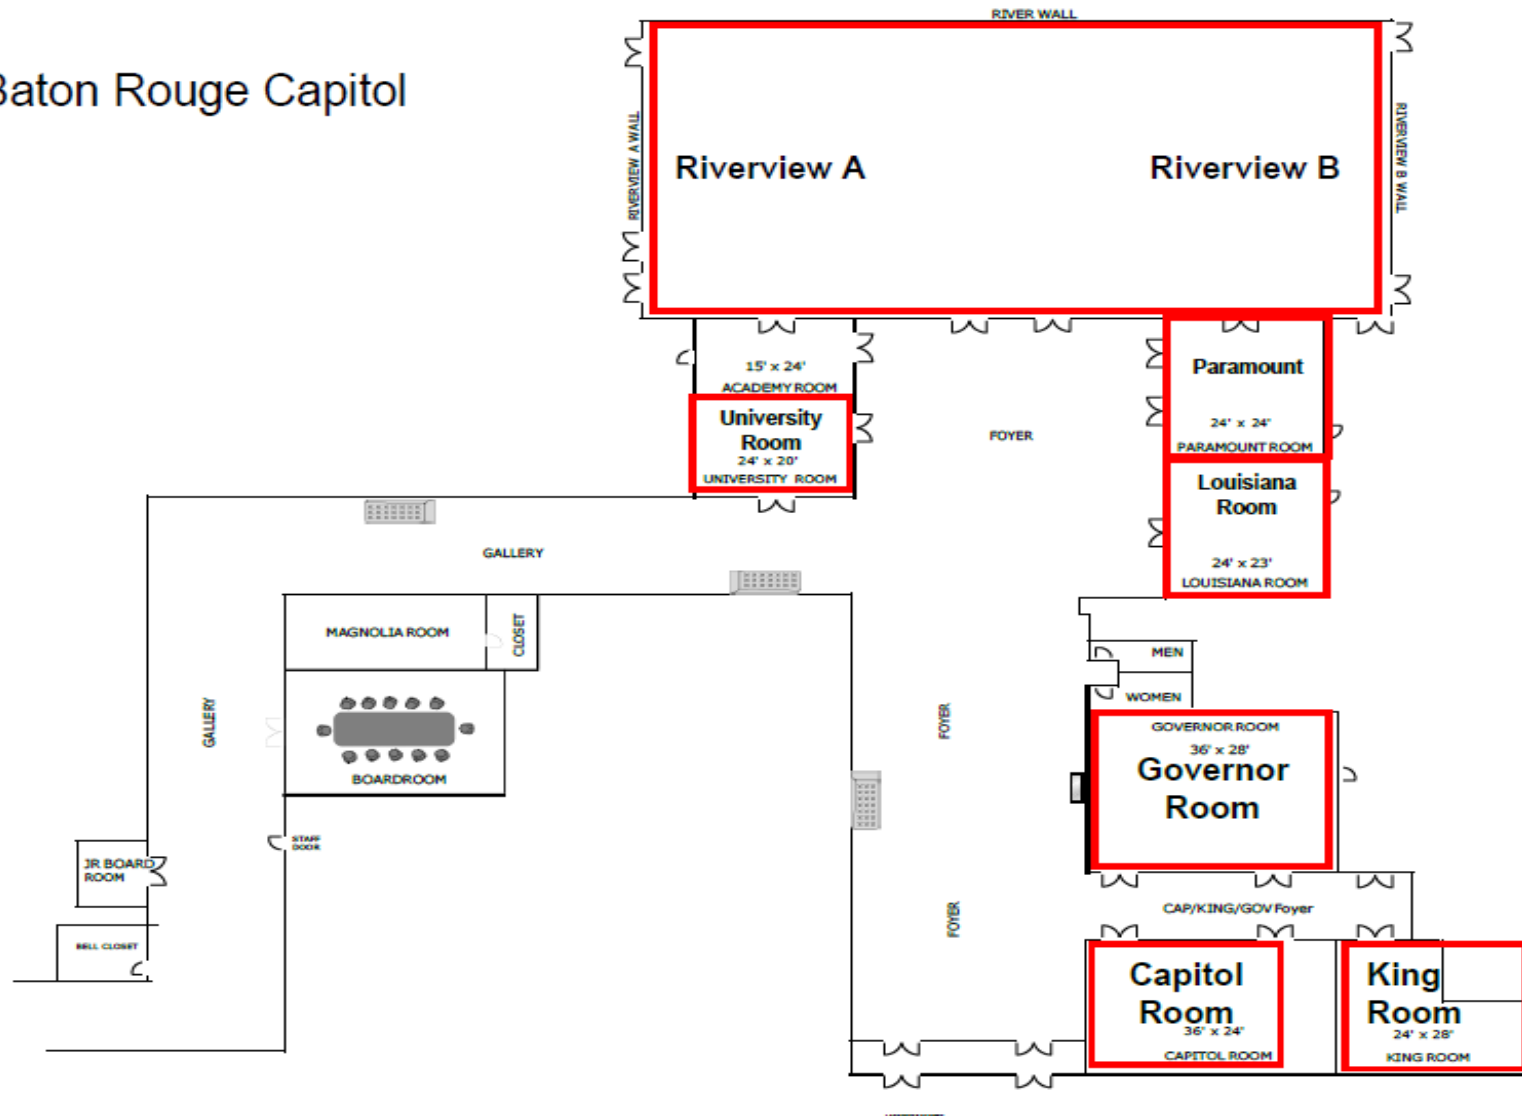

Session Topics	Session Title	Session Description	Audience/Room
Student Opportunities	Jobs for America's Graduate (JAG-LA) Explained	This session will provide an overview of JAG-LA, including description of the different JAG-LA programs offered and support to Jump Start and the Career Diploma Track. This session repeats for Rotation 3.	Louisiana Room
Talent	Educator Preparation: Mentoring in Post-Baccalaureate Preparation	In this session, supervisors will learn about efforts in rural communities to pilot innovative models of post-baccalaureate preparation.	Capitol Room
Talent/Early Childhood	Connecting CLASS to Early Childhood Ancillary Certificate Programs	In this session, ECE ancillary providers will discuss strategies for connecting the CLASS tool to CDA coursework. This session will include examples of effective practices from the field.	King Room
Talent	Effectively Utilizing and Supporting Content Leaders	This session will explore strategies to effectively use Content Leaders including how and when Content Leaders should redeliver modules. Explore newly created tools for providing feedback to your content leaders by reviewing draft versions of the content leader rubric. Participants will have an opportunity to provide feedback on this tool as well as discuss the possibility of piloting this tool.	University Room
ROTATION 3			
Academic Content	Supporting Students in Math (Part 2 of 3)	In part 1, participants learned about a framework, tools, and specific approaches to support students who struggle in Math. In this session, participants will experience firsthand how the specific approaches support students in accessing core instruction.	Riverview A & B
Academic Content	I've Observed, Now What?	Participants will analyze the data from the first semester of School Redesign observations and discuss strategies for responding to the data.	Governor Room

Note: All of the session information in this table is subject to change.

Session Topics	Session Title	Session Description	Audience/Room
Academic Content	Improving Outcomes for Children Birth Through 3rd Grade Through Early and Accurate Identification	Too few children are reading on or above grade-level in 3rd grade in part because they don't receive targeted instruction and supports early enough to master foundational language and literacy skills. Participants will learn about a partnership opportunity between LDE and interested districts to improve the identification and supports for children birth to 3rd grade with developmental and learning needs. A general overview of the partnership opportunity will be followed by a Q&A.	Capitol Room
Early Childhood	Linking your Data to Effective Strategies for Improvement	It is not enough to know what your CLASS data are saying; you need to know how to respond. Activities and discussion in this session will focus on linking data with effective strategies to get the best results for improving learning experiences for children.	Victory Room (Mezzanine Level)
Student Opportunities	Financial Aid Planning: A Critical Component to Post-Secondary Success	This session will explore the resources and strategies available to school systems to support student's accessing funding to support post-secondary success.	King Room
Student Opportunities	Johns Hopkins High School Redesign Cohort: Principal Community of Practice	In this session, Johns Hopkins TDS will continue building Principal understanding of evidence based school improvement strategies while expanding leadership awareness and engagement of available resources and exemplars.
