WHAT IS THIS SCHOOL'S OVERALL LETTER GRADE?

2016-2017 LETTER GRADE

School Requires Comprehensive Intervention >

HOW IS THIS OVERALL LETTER GRADE SCORED?

2016-2017 SCHOOL PERFORMANCE SCORE

48.3

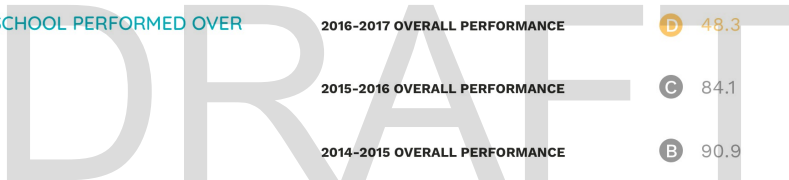

The school performance score communicates how well a school is preparing all of its students for the next level of study. For elementary schools, this score is based on students' mastery of key content for their grade level, and their successful transition into 9th grade for schools with 8th grade students. For high schools, this score also measures graduation rates and how well schools are preparing students for college and a career.

Schools can sometimes receive a letter grade outside the score ranges shown here. [Click here for more information.](#)

## STUDENT PERFORMANCE

### WHAT IS STUDENT PERFORMANCE?

For Elementary/Middle School (with 8th grade): This rating is based on students achieving mastery of key content. The rating also incorporates the degree to which middle schools have prepared students to be successful in high school based on middle school students' success in 9th grade.

For High School: Student performance is based on how well students are mastering key skills and content for their grade, in addition to how well the school is preparing students for success in college or a career.

### STUDENT PROGRESS

#### WHAT IS STUDENT PROGRESS?

Student progress measures the rate at which students are progressing towards mastering the key skills they need to be successful in the next grade level. Some students may have started further behind when they started school, but have made great strides over the course of the year. This rating recognizes this growth.
