Please contact your Network support team or DistrictSupport@la.gov with questions about this event.

DEPARTMENT of EDUCATION
louisiana believes

Sessions

Participants will have the opportunity to choose ***two*** sessions that fit their needs and interests, beginning with Rotation 2. Attendees from each school system should coordinate with one another to ensure they get all the necessary information. Attendees will *not* register for specific sessions in advance. All sessions are filled on a first come, first served basis. All information in the table below is subject to change.

Session Topics	Session Title	Session Description			Audience/Room
OPENING					
School Improvement	School System Planning 2019-2020 and Super App Launch	All participants will join this session to learn about the improved school system planning process for 2019-2020 and the 'Super App', the new application in which school systems will submit improvement plans.			Auditorium: All
Accountability	2017-2018 Accountability Results Release	The Department will provide a briefing on 2017-2018 school and center performance results, released at www.LouisianaSchools.com on November 8.			Auditorium: All
ROTATION 1					
School Improvement	School System Planning Resources	All participants will join this session to increase understanding of the new school system planning process by reviewing and analyzing a key Super App planning tool, the School System Planning Framework.	**Auditorium** Bossier City of Monroe Claiborne East Carroll Jackson Lincoln Ouachita Red River ***All others not listed*** **Theater** Avoyelles Caddo Catahoula DeSoto Evangeline	**Theater cont'd** Franklin LaSalle Morehouse New Vision Rapides Richland Union Vernon Winn	**Room B-111** Caldwell D'Arbonne Woods Linwood Charter LSMSA OJJS Tensas Webster **Room B-211** Bienville Delhi Charter Grant The Howard School Natchitoches Sabine West Carroll

Session Topics	Session Title	Session Description	Audience/Room
ROTATION 2			
Academic Content	Supporting Students Who Struggle in ELA	Join this session to dig deeper into the framework, tools, and specific approaches to support students who struggle in ELA.	Room B-111
Academic Content	Supporting Students Who Struggle in Math	Join this session to dig deeper into the framework, tools, and specific approaches to support students who struggle in math. Participants will analyze the findings from the 2017-2018 Intensive Algebra I pilot and learn how to apply the findings from that pilot to other grade levels.	Auditorium
Federal Programs	Preparing for Super App	This training will provide technical assistance to those who will be responsible for submitting the LEA's Super App in eGMS.	Theatre
Student Opportunities	Behavioral Intervention Redesign: A New Model for Student Support and Success	In this session, participants will learn about the toolbox of resources to support schools identified as Urgent Intervention for discipline. Participants will receive an overview of how the new resources support evidence based behavioral intervention, as well as details on how to select and implement interventions based upon the schools' specific student population and needs.	Room B-202
Student Opportunities	HS Pathways and Jump Start 2.0	In this session supervisors will review the most recent TOPS University and Jump Start Statewide Pathway requirements and understand how the Jump Start 2.0 process can improve industry alignment, rigor, and equitable access of IBCs.	Room B-103
Talent	Workforce Talent in the Super App	In this session, school systems will use workforce data to develop plans in Super App, prioritizing workforce talent strategies for their persistently struggling schools. **NOTE: Participants should bring a charged laptop to the session and be prepared to log into the secure portal to access your educator workforce data.**	Room B-201
Talent	Building Your School System's Leadership Pipeline	In this session supervisors will begin the strategic planning necessary to build leadership pipelines in their districts. Using workforce data participants will identify areas of needs in their current leadership pipelines. Participants will then have an opportunity to build their understanding of current statewide initiatives including Principal Fellowship, Content Leaders, and Mentor Teacher designed to support leadership pipelines and draft a plan for how they will leverage these supports.	Room B-211

Student Opportunities	John Hopkins Cohort	In this session, participants will review the objectives and key milestones related to the Johns Hopkins High School Redesign Cohort. Thirty high schools--alternative and traditional--have engaged in a collaborative, including members of LDOE and Johns Hopkins University, that focused on four key levers of school redesign and accompanying strategies. Members of the cohort were tasked with reimagining both school structure and services to maximize positive student outcomes, and facilitate high schools preparing students for post-secondary education and careers.	Room B-104
Talent	Workforce Talent in the Super App	In this session, school systems will use workforce data to develop plans in Super App, prioritizing workforce talent strategies for their persistently struggling schools. **NOTE: Participants should bring a charged laptop to the session and be prepared to log into the secure portal to access your educator workforce data.**	Room B-201
