Expiring Funds Notification

Expiring Funds Notices

- Most LEAs have carryover funds, and after PER approval, can be budgeted in the current application.
- If PERs are timely submitted and approved, submitted reimbursements will draw from older funds first.
- A notification email will be sent to inform LEAs of expiring fund balances to prompt expeditious claim submissions and ultimate draw down.
- Notifications have also been sent to districts that have not submitted their 9/30 PERs. Without it, prior year amounts cannot be loaded.
- If you have any questions, please contact Grants Help Desk at LDOE.GrantsHelpdesk@la.gov .

Title III Consortium Document

Title III Consortium

- To receive Title III allocation, a school system must have enough enrolled ELs as of 10/1 to meet the $10,000 minimum funding threshold. School systems that do not meet that minimum may choose to join or create a consortium with other school systems to meet or surpass that minimum. Each consortium is required to have an identified fiscal agent.
- The Intent to Form Title III Consortium document was sent to current Title III consortia fiscal agents last week.
- If your district is interested in joining or creating a Title III consortium for 2025-2026, please reach out to melanie.mayeux@la.gov no later than 2/28.

Equitable Services Updates and Reminders
Equitable Services Updates and Reminders, con't.

- Thanks to the current and new LEAs that have nonpublic schools for confirming that you received the 2025-2026 BESE Approved Nonpublic Academic Classification List with Brumfield v Dodd Approval and the 2024-2025 Enrollment.
- Any LEA that has a new nonpublic school or schools that are no longer on the list were notified via email last week.
- Please reach out to all nonpublic schools to confirm that their information on the list is correct.
- If there are any discrepancies have the nonpublic school email the State Nonpublic Office, NonPublicSchools@la.gov and copy the LEA's nonpublic contact person and State Ombudsman, Daphne Flentroy, Daphne.Flentroy@la.gov

Equitable Services Updates and Reminders

- Now is a great time to have a meaningful consultation to review and make updates to the nonpublic schools Needs Assessments and Titles II/IV budgets.
- The goal is to have the allocations for Titles II and IV expended or obligated by June 30 and no later than September 30, the end of the grant period.
- Please be clear during your meaningful consultation that any unapproved Title II and IV carryover will be returned to the LEA to be redistributed to both the LEA and nonpublic schools.
- If carryover is needed, be sure to send a copy of the form with supporting documentation to the State Ombudsman and upload the form to the eGMS Nonpublic Budget Detail Page.
- Carryover for Title I remains in the budget for the LEA to use the next fiscal year to design and implement the LEA Nonpublic Title I Program.
- The Title I allocation is not returned to be redistributed to both the LEA and nonpublic.

Equitable Services Updates and Reminders

- Please email the State Ombudsman regarding any questions or clarification needed regarding
  - the Needs Assessment
  - budgets
  - allowable use of allocations
  - carryover
  - concerns with current or new nonpublic schools

Schedule Zoom Meetings if needed.

Nonpublic Equitable Services Support and Technical Assistance

Please feel free to contact the State Ombudsman for any technical support/assistance or clarification regarding the non-public equitable services program. When in doubt reach out:))!
