WHAT'S NEW FOR 2027-2028

Expanded CTE and Specialized Support Opportunities

New funding opportunities will support CTE dual enrollment, Special Education certification and additional certification pathways, and English Learner certification pathways.

Superintendent Planning Considerations

- ✓ Align funding requests to identified district and school needs.
- ✓ Prioritize investments that support improved student outcomes.
- ✓ Ensure proposed activities align with the allowable uses within each strategic investment area.
- ✓ Coordinate funding requests across programs when appropriate to create a comprehensive improvement strategy.
