Canopy Professional Learning Platform

Professional Learning Platform

The [Canopy Professional Learning Platform](#) will be released for all school system employees at no cost to the school system.

This user-friendly, statewide platform will house all 2024 Teacher Leader Summit materials, ACT 260 Numeracy Trainings, LEADS Evaluation Assessments in addition to a variety of other professional learning opportunities.

Superintendents are encouraged to opt in to the [Partially Automated Teacher Access](#) process in the EdLink Security dashboard to allow the school system to submit teacher/staff records to EdLink 360 that are needed for the system to grant the Canopy Learner role to all classroom teachers in your system.

Please contact amanda.slaughter@la.gov with questions.

Professional Learning Platform

Encourage your superintendent to opt-In through EdLink Security to grant all classroom teachers a role in Canopy. For districts that have not opted-in, the LEA Security Coordinator will have to manually approve each teacher's Canopy Learner request.

Additional information can be found in the [Canopy Permission Guides K-12 School Users](#) and [Creating your EdLink Security Account](#).

Please contact amanda.slaughter@la.gov with questions.

Steps for EdLink Automated Classroom Teacher Access

Step 1: Superintendent Opt-In: Superintendents select the Partially Automated Teacher Access tab in their EdLink Security dashboard.

Note: *Superintendents must opt-in to the process each school year.*

Step 2: Classroom teachers must create an EdLink account with their district email.

Step 3: District Data Managers must submit teacher emails with the staff records through EdLink 360.

Please contact amanda.slaughter@la.gov with questions.

Please contact kimberly.vincent@kamiapp.com with questions.

Technology and Security Contacts

- Title
- Work Phone
- Work Email
- Cell Phone Number

Please update your LEA's contact information [here](#) if you have not already done so.

Please contact edtech@la.gov with questions.

[Kami](#) will be available for all K-12 teachers and students in the 2024-2025 school year. The great news is we are on track and rolling out licenses as school systems' educational technology departments register.

- Onboarding and early adopters can begin setting up their district-wide Kami account by filling out the [LDOE Kami Intake Form](#).
- Professional learning opportunities will be shared in future LDOE communications.
- Additional information about Kami and tutorials are now available on the [Kami website](#).
