Spotlight:

Accelerate: High Dosage Tutoring

Act 771 of the 2024 Legislative Session

Act 771 requires all students in grades kindergarten through five who failed to achieve mastery on any statewide assessment in reading or math to be eligible for expanded academic support. It requires one of the following:

- Prioritized placement in a class taught by a teacher labeled as “highly effective”
- **High Dosage Tutoring**

Student Eligibility

The following K-5 students are eligible for the Accelerate: High Dosage Tutoring program:

- Kindergarten through 3rd-grade students who score Below and Well Below on the statewide literacy screener
- Kindergarten through 3rd-grade students who score Below Proficiency on a numeracy screener/curriculum-embedded diagnostics
- 4th through 5th grade students who score Unsatisfactory, Approaching Basic, and Basic on LEAP in math and/or ELA

Requirements

The Accelerate: High Dosage Tutoring program has specific program requirements for the implementation of high dosage tutoring.

The tutoring must:

- begin no later than 30 days after the student is identified as eligible.
- include direct instruction, utilize formative assessments throughout the school year, and align with Tier I instruction and grade level content.
- persist over a period of at least 10 weeks.
- take place at least 3 times a week.
- last for approximately 30 minutes per session (or less if developmentally appropriate).

Requirements (cont.)

The tutoring must:

- consist of groups of no more than 4 students.
- be led by a consistent tutor or small group of tutors.
- be embedded within the school day.
- be provided in person or virtually.
- utilize materials on the LDOE's approved curriculum list, including materials created or provided by the LDOE.

Workbook/System Plan

The Accelerate: High Dosage Tutoring [Workbook](#) provides school systems with a structured framework to plan their implementation. The Workbook will help ensure schools systems are prepared for reporting to the LDOE in eGMS. The tabs are organized as follows:

- Instructions
- LEA Contact
- Assurances
- Strategic Planning Budget
- 1: Identified Students
- 2: How Students are Served
- 3: Projected: High Dosage Tutoring Providers
- 4: Scheduling
- 5: Materials

Frequently Asked Questions

- Updated [Accelerate FAQ](#) document
- Workbook is currently available in eGMS and due September 15.
- Will receive funding as soon as plan is approved.
- Programs, such as LEXIA, ZEARN, and Amira are all approved tutoring materials. Tutors should still be present to monitor data and provide students who are not progressing on the computer programs with direct instruction through small groups no larger than a 4:1 ratio.
- The funds in this allocation must be used for the following expenses:
 - Salary and benefits for full or part time LEA staff
 - External tutoring provider (on LDOE vendor guide)

For questions, contact tutoring@la.gov .

Interim Numeracy Screener Guidance

[Interim Numeracy Screener Guidance](#) is now available to support system and school leaders in identifying students eligible for the [Steve Carter Tutoring Program](#) and for [Accelerate High-Dosage Tutoring](#).

Leaders must now

- choose tools for identifying students for tutoring programs;
- support teachers in administering the local tools;
- communicate student eligibility to parents; and
- support school leaders in planning to provide tutoring.

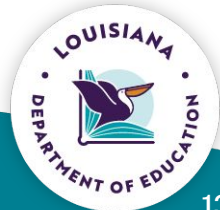

Please contact STEM@la.gov with questions.

Family Reporting

School Systems must:

- provide parents/guardians information within 15 days of a student being identified as eligible for tutoring.
- inform parents if a student is being provided tutoring services.
- inform parents that their student will be provided tutoring as well as who will be providing the tutoring and when.
- provide materials and resources for parents on how to support their child.

Individual Academic Support Plan (IASP)

- Single student plan for academic support in literacy and mathematics
- Covers the Individual Academic Improvement Plan, Expanded Academic Support Plan, Individual Reading Improvement Plan, Literacy Improvement Plan and Numeracy Improvement Plan.
- Steps teachers and leaders should take to complete the [IASP Template](#) are provided in the [IASP Guidance Document](#). The template is also provided in [Spanish](#).
- Does not include if student is in highly-effective teacher's classroom due to policy, but still required for interventions.

Bayou Bridges: A K-8 Louisiana Social Studies Curriculum Pilot Report

During the 2023-2024 school year, the LDOE conducted a Bayou Bridges Grades 4 and 5 implementation pilot with eight school systems. This pilot involved teacher training, material use, and focus-group feedback.

LDOE has released the [Bayou Bridges Pilot Report](#) to summarize the methodology used, lessons learned, participant feedback, and future plans. System leaders are encouraged to review the report to learn about the new teacher support resources LDOE is developing for Bayou Bridges.

Please contact classroomsupporttoolbox@la.gov with questions.

Foundations of Freedom: A Louisiana Civics Social Studies Curriculum

Foundations of Freedom: A Louisiana Civics Program, developed in partnership with the Core Knowledge Foundation®, is a new civics curriculum designed to meet the 2022 Louisiana Student Standards for Social Studies.

The LDOE will

- release Foundations of Freedom in spring 2025,
- provide sessions at the 2025 Teacher Leader Summit,
- support initial implementation through summer professional learning opportunities, and
- provide sample for school and system leaders to review before purchasing.

For print orders, email LABayouBridges@coreknowledge.org.

Please contact classroomsupporttoolbox@la.gov with questions.

Computer Science Technology Assistance Grant

School system leaders are encouraged to apply for the [Computer Science Technology Assistance Grant \(CSTAG\)](#) to support [computer science](#) teacher preparation and computer science instruction for students in grades K-12. Grants of up to \$40,000 per school system are available.

System leaders should complete the online [application](#) by Friday, September 20 at 5 p.m. More information on the grant is available on the [Computer Science](#) web page.

High Cost Services Round 2 Funding

The deadline to request reimbursement for 2023-2024 High Cost Services Round 2 funding is **September 30**. An amendment must be created to request reimbursement.

Only school systems that submitted Round 2 applications in the 2023-2024 school year and received final approval can seek reimbursement.

Any unused funds will revert back to the State.

Contact ashley.augustine@la.gov with questions.

LEA Determinations

The Department must issue a determination to each school system on the provision of special education and related services under IDEA. These are called LEA Determinations.

The FFY 2021 and FFY 2022 draft LEA determinations will be available on the data management FTP the week of August 26.

Please contact specialeducation@la.gov with questions.

Special Education Reporting

The deadline to enter Extended School Year Services (ESYS) data is **September 3**. School systems should run all ESYS reports to verify their data.

To prepare for annual monitoring outreach, school systems should run the following reports for 2023-2024 to identify any noncompliance:

- Discipline Reports
- SPP Indicator 11 Report
- Part C Transition Report
