Request for Waiver of Transportation Policy

Bulletin 126, *Charter Schools*, §2801(E). Transportation Requirements for BESE-Authorized Charter Schools in accordance with R.S. 17:6(A)(10)

School is applying for a waiver of the transportation requirement for the following reason:

<input type="checkbox"/>	Small unique-mission school
<input type="checkbox"/>	Virtual school
<input type="checkbox"/>	Extreme financial hardship

All charter schools applying for a waiver of any portion of transportation policy should attach and submit a narrative in support of the waiver request. This narrative should include any documentation or financial information demonstrating that the school fits at least one of the waiver criteria.

Schools that have not met students with disabilities and economically disadvantaged enrollment requirements for two consecutive years or that have specific transportation requirements written into their charter contracts are not eligible to receive a waiver.
