CLSD 2019 (CIR/UIR)

- CLSD CIR/UIR is finishing a no-cost extension year
- This current school year is the last year for this grant.
- We encourage you to spend every dollar.

CLSD 2020 (UIN)

- CLSD 2020 is going into a no-cost extension year.
- Allocations were proposed to BESE on April 8th and approved.
- Allocations will be loaded into eGMS, and LEAs will receive an email from project director with allocations by grade band.
- Currently, funds must be spent July 1, 2025 - September 30, 2025.
- Pending no cost extension, funds would be able to be spent July 1, 2025 - June 30, 2026.
- Last year of funding. Prioritize:
    - Growing teacher and leader capacity
    - Setting up sustainable practices and systems

Please contact natalie.klibert@la.gov with any questions.

- CLSD 2024 Orientation will occur April 15th at 1 p.m.
  - Grant coordinator
  - Federal programs director
  - Anyone familiar with previous CLSD grants
- Review your CLSD application with your district team, including project plan, schools requesting funding, and your budget
- Reaching out to systems that were partially funded to discuss how much for each grade band, as well as anything in budgets that are not allowable.

Please contact natalie.klibert@la.gov with any questions.

General CLSD Considerations

- CLSD grants cannot be braided together to fund a salary.
- Please ensure purchases are to supplement and not supplant current initiatives.
- CLSD funds cannot be used to fund something that was funded by a previous iteration. This includes salaries.
- Federal grant funds cannot be used to fund activities required by state law.

Please contact natalie.klibert@la.gov with any questions.
