

Dear Middle School Parents -

During this time of social distancing we want to ensure that each of our middle school students continue to have access to high-quality curriculum and assignments. We plan to deliver instruction through a virtual learning environment and we need your support to ensure the success of our efforts! Please take a moment to review our plan below and talk with your child about the importance of continuing their education during this time.

What you can expect from our middle school teachers:

- Students will receive core (ELA, Math, Science, and Social Studies) instruction through Google Classroom. Some schools may provide instruction for PE and electives as well.
- Students should login each day to check for assignments and instructions from the teacher.
- Beginning Wednesday March 18th, instructional videos for core subjects will be uploaded twice a week of teachers presenting instructional content. In the weeks thereafter, instructional videos will be available Tuesday and Thursday by 8:00 am.
- Teachers will post relevant supplemental materials to support students with instructional delivery of content such as annotated notes, PowerPoint presentations and website links.
- Teachers will be available to monitor and respond to student emails from 9:00 am until 12:00 pm every day regarding questions about assignments and instructional material.
- Information regarding online access to resources will be forthcoming.

What you can expect from your middle school student:

- Students should login to each of their Google Classrooms on a daily basis.
- Students will need to complete all required assignments and submit these as directed by their teacher.
- Students should watch the 2 videos posted each week in their entirety.
- Students should email teachers if they have any questions.

How can you help?

- Ensure that your child is checking their Google Classroom on a daily basis.
- Ensure that your child is watching the 2 videos for each of their core classes each week.
- Ensure that your child is completing all required assignments and submitting these to their teacher in a timely manner.
- Encourage your child to reach out to their teacher if they have any questions or concerns or need any extra help!
