Response to Intervention Overview	Examples of universal screeners: Scholastic Reading Inventory, Measures of Academic Progress, LA Bulletin 1508 Screeners for health, vision, hearing, motor, and Social-Emotional Checklist, KIPP adapted Speech-Language Screener. Students with concerns identified on the 1508 Social-Emotional Checklist may also be screened using the BASC or Conners. Examples of reading interventions: Incremental Rehearsal for rote skills (e.g., sight words, alphabetic principle, letter sounds), reading fluency, guided reading, Leveled Literacy Intervention, Corrective Reading, Achieve 3000.		
	Examples of math interventions: IXL, ST Math, Khan Academy, rote skills		

	rehearsal through daily math routines.	
	Tenearsar through daily math routiles.	
	Examples of behavior interventions: trackers (points-based, token economy), coordinated check-in/check-out, scheduled/supervised breaks, school-wide PBIS system, Functional Behavioral Assessments (FBAs) and Behavior Intervention Plans (BIPs).	
School Building Level Committee (SBLC)	Members of the SBLC team: Principal or designee, SBLC chair, Social worker or counselor, school psychologist, SLP, regular education teacher, SPED coordinator, and interventionist.	
	Example engagements with parents: Develop interventions in collaboration with parents, explain screening data, invite to meeting and explain parental choices and options, collaborate to develop interventions. Parental permission is obtained for screenings and interventions. Phone calls, home visits, letters (both sent with student and through postal mail) will be used to encourage parental involvement with the SBLC process and attendance at meetings.	
	Example decisions SBLC team can make: As per Bulletin 1508, outcomes of the SBLC process include	
	 Conduct no further action at this time. Continue current intervention and progress monitoring through the RTI process. 	
	3. Conduct additional interventions through the RTI process.4. Refer the student to the appropriate committee to conduct a Section 504 evaluation.	
	5. Refer the student to pupil appraisal personnel for support services.6. Refer the student to pupil appraisal personnel for an individual evaluation if an exceptionality is suspected.	
	Additionally, depending upon the nature of concerns identified, the SBLC committee may also refer the family for external services would be beneficial (e.g. family counseling, case management, linkages with government benefits, etc.).	
Appraisal Team	Members of appraisal team: School Psychologist, Parent, Regular Education Teacher, Special Education Coordinator, Social Worker or Counselor; Speech and Language Pathologist, School Nurse, Adaptive PE Teacher, Occupational Therapist, Physical Therapist, Audiologist as determined by screening needs.	
	Example engagements with parents: Meet to develop evaluation plan and sign permission to test, obtain full psycho-social history, interpret and disseminate findings of evaluation. Parental permission is obtained for evaluations. Phone calls, home visits, letters (both sent with student and through postal mail) will be used to encourage parental involvement with the Pupil Appraisal process and attendance at meetings.	

	<u> </u>		
	Example decisions appraisal team can make:		
	1. The student may be classified with an exceptionality and the		
	educational needs of the student are identified and documented on the IEP.		
	2. The student may not be classified with an exceptionality under IDEA.		
	The student may then be referred back to the SBLC for consideration of		
	other potential services (e.g., 504 Accommodation Plan, tiered academic		
	and/or behavioral supports).

Key Partnerships	Partner and services provided: LSU HSC - psychological consultation and professional development Project Fleur de Lis - professional development for staff and clinical services for students Milestones, Family Preservation Services, Daughters of Charity, Children's Bureau, Metropolitan Human Services and various other mental health service providers and mentoring groups. Relay Graduate School of Educationprovides in class tutoring by local college students in reading intervention classes.
Other out-of-school instruction and supports (e.g., special school, therapeutic placement, hospital or homebound setting, juvenile detention facility, etc)	Methods of instruction and service delivery: Hospital/Homebound Services provided by contractors with referral and written approval of student's physician or licensed psychologist. A specialized setting (Behavior Support Program) is available within our campus, but students may also be referred to therapeutic day programs for more intensive therapeutic programming within a more restrictive environment. State Special Schools will also be considered as a potential placement for students and referred to as determined by the IEP team including parents/guardians. The local juvenile detention facility, the Youth Study Center, has instructional services provided by OPSB. However, our LEA maintains contact with the student and family (when appropriate) to begin the process of planning the student's transition back to our LEA's campus. The services of the Youth Opportunity Center may also be utilized during this transition process. If not currently providing service, plan to deliver service in future: N/A
