

SPECIAL EDUCATION DIRECT SERVICE VENDOR GUIDE: Direct Service Providers

THEORY OF ACTION

All students in Louisiana should spend the majority of their time reading, speaking, writing, and solving curriculum-based tasks. To enhance their success, students with disabilities often benefit from additional support. They may benefit from:

- Direct services from certified providers to accomplish specific goals outlined in a student's individual educational program.

PURPOSE

The Partnerships for Success Guide provides school systems with a list of partners that can provide the direct service needs to support students with disabilities.

DIRECT SERVICES: CERTIFIED PROVIDERS FOR STUDENTS WITH DISABILITIES

Direct services assist students with disabilities in engaging in classrooms across Louisiana every day. These services are critical in ensuring students can grow and thrive. Pages 15-23 of this guide provide an inventory of organizations, often utilizing alternative and innovative methods of delivery, that are capable of providing direct services to students with disabilities or professional development for continuing the delivery of direct services across alternative (e.g. distance learning) delivery methods.

EARLY CHILDHOOD: DELIVERY OF DIRECT SERVICES

Children across Louisiana's early childhood programs should receive high-quality early learning experiences that include supportive interactions between teachers and children grounded in the use of high-quality curricula. To ensure access to these interactions and high-quality curricula, children with disabilities can benefit from early childhood educators who are equipped to deliver specialized supports. Organizations denoted with the Early Childhood icon provide specialized supports to children with disabilities.

GEOGRAPHIC REACH: Statewide

CONTACT FOR LOUISIANA: Rebecca Bishop, (443) 598-2424, rebecca.bishop@ampliolearning.com

VENDOR DESCRIPTION

Amplio’s licensed therapists and special education professionals deliver remote digital therapy services using our award-winning platform. Our qualified SLPs and reading specialists are equipped to provide comprehensive evaluations using our special education learning platform and standardized digital evaluation tools. At Amplio, we partner with school districts to prioritize out-of-compliance tasks requiring immediate attention (e.g., past due re-evals, FIEs, initial IEPs) and deliver services. Our experienced SLPs participate as full members of the student’s IEP team and engage in case management activities. Amplio students have demonstrated accelerated progress when services are delivered on our award winning platform. Annual goals were achieved following six months of Amplio intervention for the majority of students who participated in a pilot study conducted with 1000 students served in multiple states during the 2021-2022 school year.

VENDOR: Catapult Learning, LLC

GEOGRAPHIC REACH: Statewide

CONTACT FOR LOUISIANA: Erin Tyler, (901) 337-3746, erin.tyler@sesischools.com

VENDOR DESCRIPTION

Catapult Learning, a member of the [FullBloom](#) organization’s family of companies; including [Catapult Learning](#), [SESI](#), and [Little Leaves Behavioral Services](#), is dedicated to providing education solutions that generate demonstrable academic achievement and better life outcomes for students, regardless of the learning obstacles or other challenges they face. With experience building capacity among leaders and teachers, as well as providing student programming to those with intense behavioral, academic and language needs, Catapult Learning is uniquely positioned to bring high quality special education services to the schools of Louisiana. Utilizing research-based programs, we work with students and teachers in public and nonpublic schools throughout the country and around the globe. Our team of more than 150 PD Specialists and 5,000+ educators consider effective teaching to be the catalyst for improving student performance; we partner with schools and systems to support student needs by providing high-quality professional learning opportunities.

PARTNERSHIP SERVICES

Category of Service	Description	Method	Therapeutic Services	Evaluation Services	Early Childhood Support	Cost
Speech Language Pathology Services	Our services include assessment and intervention to remedy speech/language problems that have educational relevance for the student. All services enhance the student’s ability to communicate and function to maximum potential at school. We provide services within the school building. Speech/ Language Pathologists (SLPs) whose qualifications meet or exceed district specifications provide the services. Catapult Learning will assign a speech therapist to oversee the speech language pathology services under the direction of one of our program supervisors. We have extensive experience in hiring and supervising speech/language professionals and take great care in selecting this staff member who will be assigned to this program.	Virtual and f2f	✓			\$78.38 per hour
Social Work Services	Catapult Learning social workers provide counseling services to students in both individual and group sessions as dictated by the IEP, and as necessitated within the specific school and programming environment. Catapult Learning social workers are required to have a master’s degree in social work, counseling, or child/family therapy; possess a valid U.S. state driver’s license and are willing to travel locally using their own transportation (mileage reimbursed); occasionally work extended and/or evening hours; possess an understanding of the IEP process; have leadership skills; demonstrate effective relationships with schools and agencies; are skillful at conducting meetings; and are able to interpret data related to student goals for appropriate interventions.	Virtual and f2f	✓			\$70 per hour
Counseling Services	Our counseling program is designed using each school’s mission and the unique challenges of the eligible students. The overall goal of the program is to provide support for students while providing them with practical strategies to meet challenging student performance standards. The program may be delivered in many ways including small group and individual counseling, crisis management, school and family consultation and collaboration as well as referrals to outside agencies when needed. While it is expected that there will be a priority list developed at the beginning of the school year with the principal or designee, it is understood that referrals will occur throughout the year and the same careful planning will occur. Our counselors are master’s-level school counselors qualified in accordance with district and state requirements. Student services are provided during the school day on a regular schedule or as part of a summer school program; consultation with parents and school staff often occurs before and after school hours.	Virtual and f2f	✓			\$70 per hour

For more information about partnership services, including customized packages, contact Erin Tyler.

*Hourly Rate is per scheduled counselor hour. Counselor hours include all hours required to operate the program including but not limited to direct service time with students, prep time, parent conferences and team meetings.

VENDOR: eLuma Online Therapy

GEOGRAPHIC REACH: Statewide

CONTACT FOR LOUISIANA: Lydia McCrummen, (385) 993-3500, lmccrummen@elumatherapy.com

VENDOR DESCRIPTION

eLuma has been providing solutions for nearly 10 years. We are a teletherapy pioneer in technology, process, and connecting the best people. Our focus is building long term partnerships with schools and districts so that students succeed. We provide Speech, OT, PT, School Psychology, Social Work, and Mental Health Counseling.

PARTNERSHIP SERVICES

Category of Service	Description	Method	Therapeutic Services	Evaluation Services	Early Childhood Support	Cost
Speech Language Pathology Services	eLuma's SLPs can provide all of the required services live and online, through our proprietary, secure, HIPAA-compliant platform – and can do so with a high degree of effectiveness, efficiency and flexibility. We are unique in that we have a 100% track record of filling positions we've contracted. Even in the teletherapy world, this is extremely rare.	Virtual	✓	✓	✓	As low as \$58 per hour equivalent *
Occupational Therapy	There just are not enough occupational therapists to meet the needs of every school, so we created the best online occupational therapy option. With the increase in fine motor, gross motor and visual impairments related to learning disabilities, autism and others, it is increasingly hard to keep highly qualified professionals on staff. With eLuma, you don't just fill an opening, you get high-quality OTs that can help you and your team do more.	Virtual	✓	✓	✓	As low as \$58 per hour equivalent *
Physical Therapy	It's getting harder and harder for schools and districts to enlist and retain physical therapists. The demand for their services has never been greater, and unfortunately, the growth in the supply of these practitioners has not kept pace with the increased need. The resulting shortage has been a growing problem for administrators who need to fill vacancies. eLuma provides supervision of onsite PTAs, consultation services, and direct therapy depending on the needs.	Virtual	✓	✓	✓	\$650-\$750 per diem **
Social Work and Mental Health Counseling	Coming out of the pandemic, the need for mental health is at an all time high. We have only begun to see the effects that the pandemic will have on students from loss of routine, to anxiety, to trauma they may have experienced. School-based teletherapy solves many problems that arise with the mental health need. eLuma can find you highly qualified Social Workers and Counselors to provide individual and group therapy to your students joining school after the pandemic.	Virtual	✓	✓	✓	As low as \$58 per hour equivalent *
School Psychology	As a school administrator, you know firsthand that budgets and resources are scarce. With the rising number of students needing services under the Individuals with Disabilities Education Act (IDEA), there is a higher demand for assessments, evaluations, IEP support staff and specialized personnel. Unfortunately, the individuals providing these services have never been harder to find. eLuma provides highly qualified and proficient school psychologists.	Virtual	✓	✓	✓	\$650-\$750 per diem **

*Priced on an all-inclusive per student rate.

**Price varies on a number of factors.
