

**This session will provide a forum for data coordinators to share ideas, provide support, engage in discussion, review school year collections, identify wins and areas for improvement, and share best practices.**

### **Topics/Questions for Discussion**

- Welcome and Introductions
- Review Purpose of Session
- Discussion Topics
  - Submissions, Processes, and Reports
    - Which processes for data submission/reporting went well this school year? Why?
    - Which processes for data submissions/reporting are most difficult? Why?
    - What trainings/meetings/reports/support can LDOE data management offer to help?
    - How do you use the LDOE comparison reports provided during submissions?
    - Share ideas for enhancing comparison reports.
    - How do you use the LDOE LASID reports?
    - Share best practices for assigning/maintaining LASIDs.
  - Communications
    - What information provided in the monthly data coordinator webinars is most helpful?
    - What information do you need that you are not getting from the data coordinator webinars?
    - How do you use the INSIGHT Coordinator's portal?
    - Share ideas on improving communications and building better partnerships.
- Closing Remarks/Next Steps

**\*If there are other discussion topics that you are interested in but are not listed, please send your suggestions to [systemsupport@la.gov](mailto:systemsupport@la.gov).**
