

Introduction to Zearn

2017-18 School Year

Today's Agenda

- **Intro to Zearn**
- **Zearn Math Impact**
- **Zearn Math Approach**
- **Q&A**

ZEARNMath:

A **personalized K-5 curriculum**

that meets the needs of

each student, every day

so all kids can **learn and love math**

ZEARN MATH IS A TIER 1 CURRICULUM

Rated a **TIER 1** Curriculum that "exemplifies quality" (one of only 4 rated Tier 1 of 16 reviewed)

"Innovative combo of live small-group instruction and solid online math lessons."

THE ZEARN MATH APPROACH

EUREKA MATH

ENGAGENY

NEW STANDARDS

Independent digital lessons

Small group instruction

ZEARN

HOW IS ZEARN DIFFERENT?

Math Today

Whole-class instruction

Students progress at the same pace

Teachers rely on infrequent assessments to inform instruction

Math with

Independent learning +
Small-group instruction

Students progress at their own pace

Teachers use real-time student data to inform daily instruction

Today's Agenda

- Intro to Zearn
- **Zearn Math Impact**
- Zearn Math Approach
- Q&A

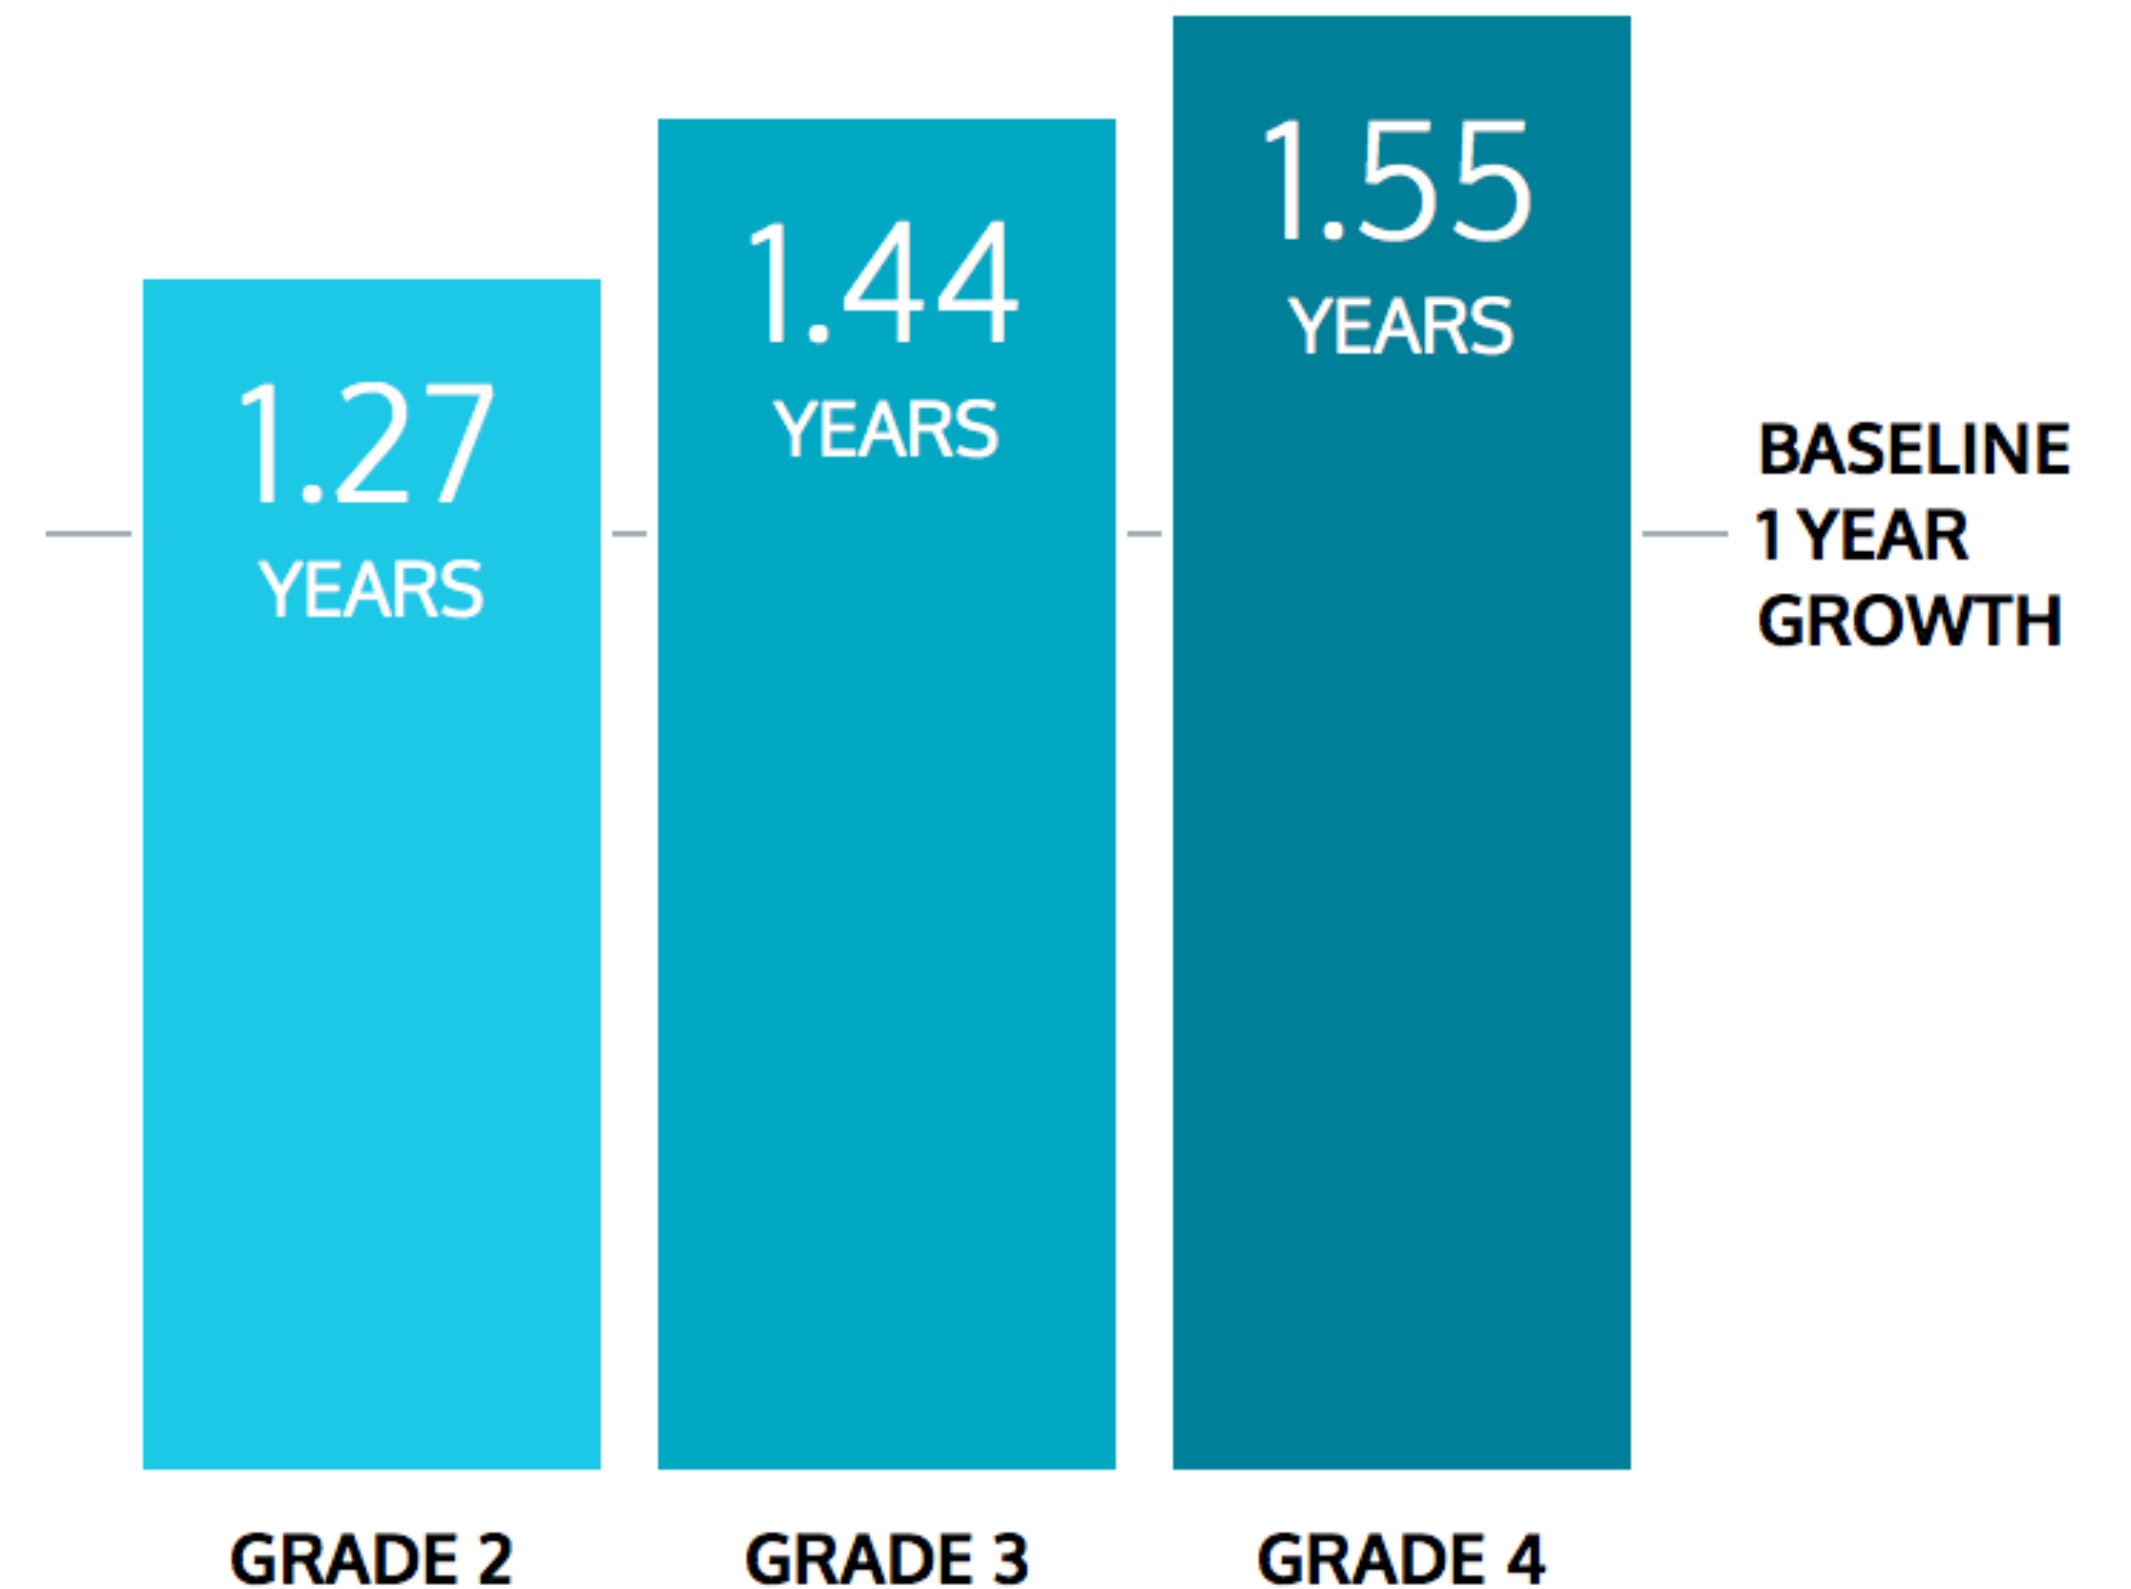

ACADEMIC RESULTS

- CASE STUDY:
- 24 2nd, 3rd and 4th grade classrooms
 - 83% Economically Disadvantaged

“In my years of teaching and leading schools, I have never seen students more invested in math.”

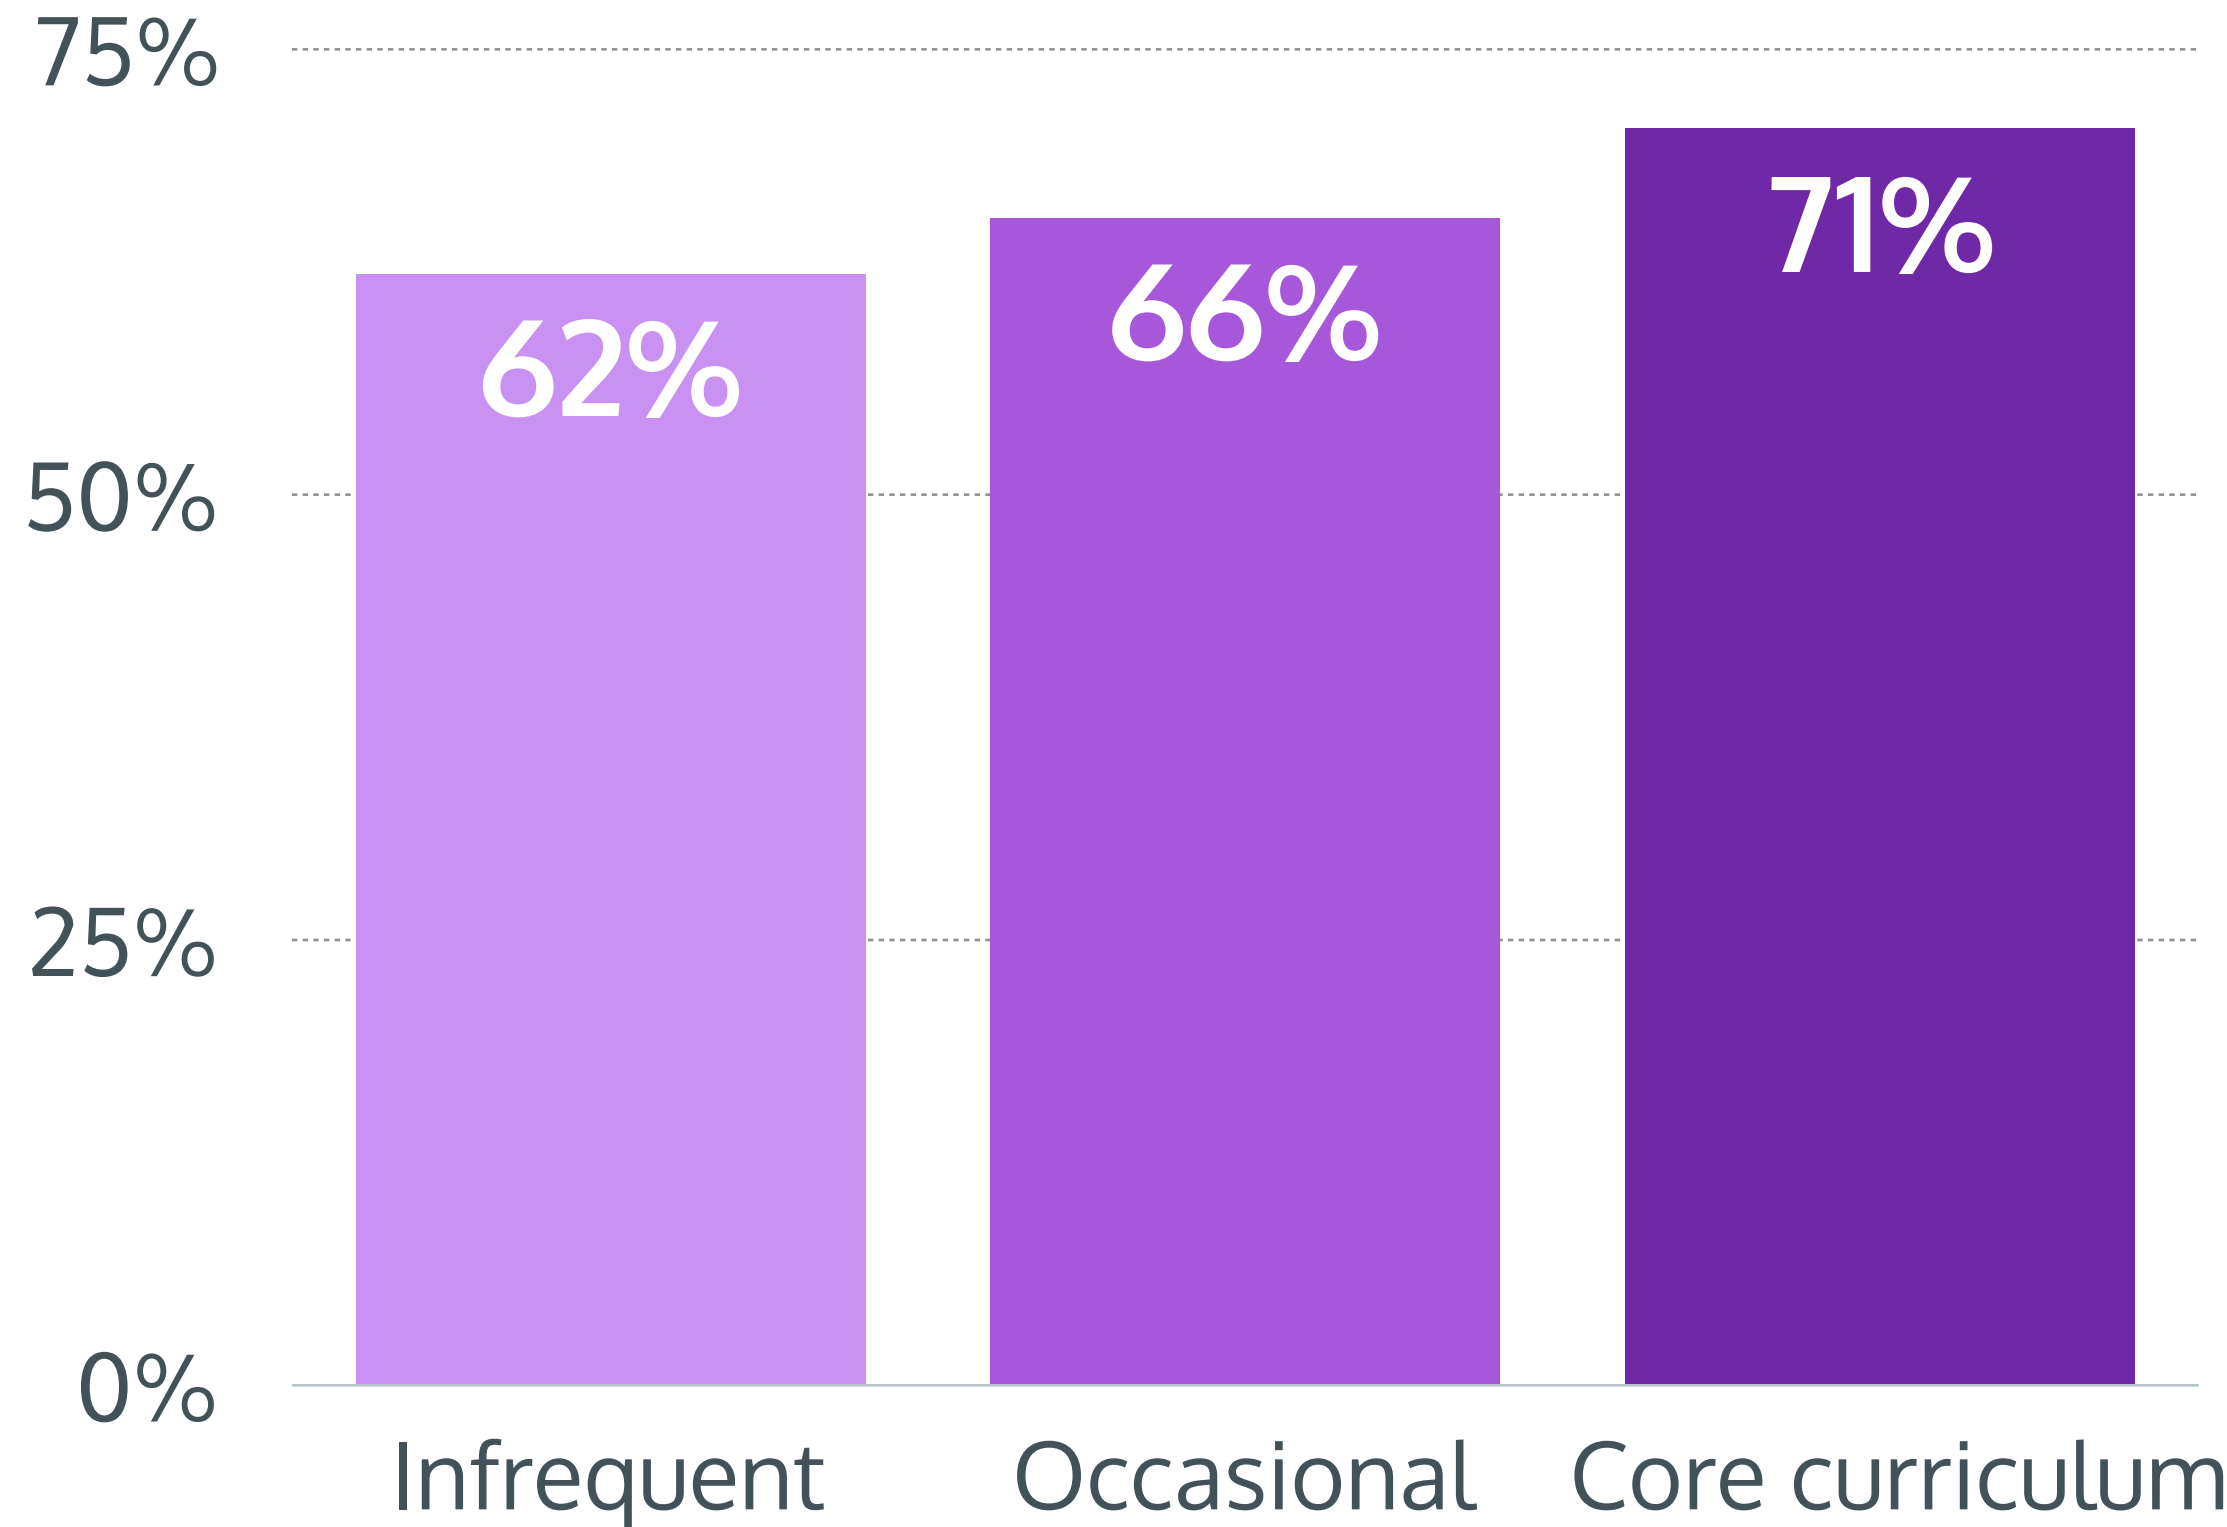

Chief Academic Officer

ANNUAL MATH GROWTH ON NWEA SPRING 2016
MAP FOR MCP STUDENTS USING ZEARN MATH

STUDENT ENGAGEMENT

STUDENT SURVEY: • Percent of students who responded "Always" to "How often do you like math"

"Behavior in math class has dramatically improved across all classrooms. Kids are just happier with Zearn."

Administrator

Usage of Zearn Independent Digital Lessons

Thank You and Q&A

ZEARN FOR SCHOOLS: 2017-18

School Account

Reporting and Insights

- School and grade level dashboards
- Actionable insights into student progress
- Access to class and student details
- Exportable data to support analysis

Enhanced Support

- Clever integration
- Dedicated roster and account support
- Dedicated technical support
- Onboarding guidance from team of educators

Price: \$2,500 per school for annual license

ZEARN FOR SCHOOLS: 2017-18

Printed Materials

Student Workbooks

- All critical daily paper materials for students in easy-to-use spiral bound books

Price: \$28 per student

Teacher Answer Keys

- Solutions to paper materials to simplify checking student work for teachers

Price: \$75 per book

ZEARN FOR SCHOOLS: 2017-18

Professional Development

Onsite PD with Zearn Trainers

- 3-hour interactive session to prepare teachers to get started with Zearn Math
- Delivered at your school by our expert team

Price: \$2,000 per session

Digital PD Sessions

- 3-session interactive course to prepare teachers to get started with Zearn Math
- Designed for group setting, facilitated by admin or coach

Price: \$500 subscription
