

Teaching & Learning, Division of Numeracy

K-12 Mathematics Standards Institutes

To support educators and leaders in implementing the revised K-12 Louisiana Student Standards for Mathematics, the Division of Numeracy will be hosting Standards Institutes in various regions across the state. The standards institutes will be a six-hour professional learning where math leaders and educators will learn about key updates to the standards.

Space for these events is limited. Registration is open and will remain open until all slots are filled. Contact math@la.gov with questions.
