

Teaching & Learning, Division of Numeracy

K-12 Mathematics Standards Institutes

To support educators and leaders in implementing the revised K-12 Louisiana Student Standards for Mathematics, the Division of Numeracy will be hosting Standards Institutes in various regions across the state. The standards institutes will be a six-hour professional learning where math leaders and educators will learn about key updates to the standards, including

- updated domain titles;
- updated standard language and examples; and
- resources that support deep understanding and implementation of the standards.

Space for these events is limited. Registration opens **April 13, 2026**, and will remain open until all slots are filled. Contact math@la.gov with questions.
