

# Accelerate: High-Dosage Tutoring Vendor Guide

## Tutoring Service Provider Guide

The Accelerate: High-Dosage Tutoring Initiative is a result of Senate Bill 508 of the 2024 legislative session. This bill provides high-dosage tutoring for certain low-performing students in grades kindergarten through five that is school-day embedded. Tutoring providers for this initiative must meet all the following criteria:

1. Incorporate direct instruction by tutors using formative assessments aligned with grade-level content and Tier 1 classroom instruction.
2. Program sustained for a minimum of ten weeks.
3. Provide approximately 30 minute sessions embedded in the school day.
4. Uses assessments throughout the school year to monitor student progress.
5. Instruction based on high-quality instructional materials that are aligned with state content standards and are specifically designed for supplemental instruction.
6. Provided at a ratio of not higher than four students to one tutor.
7. Provided by high-quality tutor.
  - a. A person with training in using high-quality instructional materials and who receives ongoing oversight while providing high-dosage tutoring.
  - b. Staff of a high-quality tutoring provider.
  - c. Current or retired teachers.
  - d. Trained paraprofessionals.
8. Provided by a consistent tutor or by a limited, consistent set of tutors throughout the instructional period.
9. Based on researched-based best practices that are grounded in the science of reading and effective accelerated instruction strategies.
